significantly a registered American Spotted Ass Beast of burden that she is this inscrutable companion helped carry a ridiculous load of human longings and quandaries into a maze of hot harrowing miles across the US South from Mississippi to Virginia in the summer of 2002 all the while carrying her own onerous and unreckoned burdens and histories Over two decades the original journey evolved from the cracking open of a quasi Western novel that never was by an implosive pun into an ongoing philosophical and assthetic adventure a hybrid roadside and barnyard based living art practice wherein Aliass un names something much harder to grasp than the body of a lovely little ass protagonist setting and traditional Western narratives turn inside out around this name that ain t Through a deeply dug in questioning of its own authorial assumptions The Unnaming of Aliass makes space for untold autobiographies and bright dusty lacunae tracing ineffable tales through the tangled shapes and shadows that interweave in any environment **Differences** ,2001 *Index de Périodiques Canadiens* ,2000 **Provisional Avant-Gardes** Sophie Seita,2019-07-23 What would it mean to be avant garde today Arguing against the notion that the avant garde is dead or confined to historically failed movements this book offers a more dynamic and inclusive theory of avant gardes that accounts for how they work in our present Innovative in approach Provisional Avant Gardes focuses on the medium of the little magazine from early Dada experiments to feminist queer and digital publishing networks to understand avant gardes as provisional and heterogeneous communities Paying particular attention to neglected women writers artists and editors alongside more canonical figures it shows how the study of little magazines can change our views of literary and art history while shedding new light on individual careers By focusing on the avant garde s publishing history and group dynamics Sophie Seita also demonstrates a new methodology for writing about avant garde practice across time one that is applicable to other artistic and non artistic communities and that speaks to contemporary practitioners as much as scholars In the process she addresses fundamental questions about the intersections of aesthetic form and politics and about what we consider to be literature and art *Corpus Almanac & Canadian Sourcebook* ,1997 **Premier Atlas of the World** ,1925 **Canadiana** ,1984 **New Serial Titles** ,1985 **Simulcast** Benjamin Friedlander,2004 This study offers an overview of avant garde American poetry of the latter 20th century a flourishing movement in American letters The four experiments in literary criticism vary in style and viewpoint Taken together they reassess the fundamental relationship between poetry and criticism Contemporary Poetry Meets Modern Theory Antony Easthope,John O. Thompson,1991 **Selected Poems** Denise Riley,2019-10-03 Denise Riley has pursued her singular path with a determined disregard for poetic fashion a poet of immense musical gifts and formal skill as happy in traditional forms as experimental her non alignment with any tribe has led to a rich and various poetry that while densely allusive and intellectually uncompromising remains emotionally open towards the reader at the most profound level Say Something Back her lyric meditation on bereavement won Riley universal acclaim and a wide and long deserved readership Her Selected Poems offers a generous overview of a working life which has taken in philosophy feminism literary history

song and aphorism and within which the old certainties are interrogated and shaken at every turn Hers is a voice through which we come to better understand one another the meaning of our time here and the nature of human communication itself Wide ranging sometimes anguished her poems are fascinating and often beautiful and certainly more than usually thought provoking Guardian
