

PRAYER RADIATING CHRIST

Dear Jesus,
help me to spread Your fragrance wherever I go.
Flood my soul with Your spirit and life.
Penetrate and possess my whole being so utterly,
that my life may only be a radiance of Yours.

SHINE THROUGH ME,
and be so in me that every soul I come in contact with
may feel Your presence in my soul.
Let them look up and see no longer me, but only Jesus!

Stay with me and then
I SHALL BEGIN TO SHINE AS YOU SHINE,
so to shine as
TO BE A LIGHT TO OTHERS.
The light, O Jesus, will be all from You; none of it will be mine.
It will be you, shining on others through me.

Let me thus praise You the way You love best,
by shining on those around me.
Let me preach You without preaching,
not by words but by my example,
by the catching force of the sympathetic influence of what I do,
the evident fullness of the love my heart bears to You.

Amen.

St. John Henry Newman

with the fire of charity and whose heart was tested and purified by an intense trial of faith a true dark night of the soul If I ever become a Saint I will surely be one of darkness I will continually be absent from Heaven to light the light of those in darkness on earth Mother Teresa

Christ Alive in Me: Living as a Member of the Mystical Body Fr. David Meconi, S.J., 2021-08-16 It is no longer I who lives but Christ who lives in me Galatians 2 20 Giving God permission to dwell within us thereby transforming us into another incarnate son or daughter has been at the heart of the Christian Gospel for millennia It is not just one theological doctrine among many it is the ultimate goal of the entire Christian life The only goal in God s becoming human is to continue his life in ours In Christ Alive in Me Living as a Member of the Mystical Body Fr David Meconi S J explains the theology of Christian deification which is also the theology of the Mystical Body of Christ Although this radical aspect of the Gospel has been forgotten by many today Meconi seeks to reclaim this central truth and uncover what it means live with in and even as Christ Discover what it is to become other Christs living extensions of the Lord himself to become his eyes and ears his heart and words his hands and feet on earth

The Art of Being Human William McNamara, 2018-09-03 In *THE ART OF BEING HUMAN* Father McNamara has taken a new vital approach to effective socially oriented Christian living in tune with the needs and demands of our times He takes for his theme the basic traditional truth grace builds upon rather than destroys human nature and develops this theme with extraordinary understanding and eloquence The first chapter *Becoming Human* sets the tone of the book For Father McNamara the sanctifying process is the humanizing process and the way by which one can cultivate the art of being human within oneself He then probes into the very roots of the conditioning processes which daily shape our lives and poses for the reader some incisive questions which demand reflection and inner search Discussions on faith hope love religion mental prayer and spiritual growth follow The final chapters on leisure and leadership are especially provocative since they direct the reader's attention to where the responsibility for the self accomplishment of this art truly lies Father McNamara has the knack of putting his finger directly on the problems of today's living *THE ART OF BEING HUMAN* does not pretend to have all the answers but it goes a long way toward taking the reader in the right direction Here is a book to read to ponder and to act as its message challenges us to do Magnificat

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 *Mother Teresa's General Letters to Her Sisters* is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to

shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things to love and to be loved, these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet and so make our lives something beautiful for God.

Mother Teresa: Just a Pencil in God's Hand

Kolodiejchuk MC Brian, 2024-06-07. This anthology contains a collection of intellectual explorations honoring the enduring legacy of Mother Teresa. The symposium held on 10 September 2022 at the Catholic University of America (CUA) brought together leading scholars to speak of Mother Teresa's legacy to produce the following papers, each shedding light on a life characterized by compassion, selflessness, and devoted service to the poorest of the poor, the forgotten, and the outcast of society. The keynote address by George Weigel, "Mother Teresa and John Paul II: Lessons for Our Troubled Times," uncovers the lessons from the partnership of two great saints and their efforts to make way for Love in a dark world. Mother Teresa's Holiness Process of Canonization and Miracle by the postulator of her cause, Fr. Brian Kolodiejchuk, MC, explores the nature of holiness, several characteristics of Mother Teresa's holiness, and the process that led to her canonization in 2016. In "A Praxiological Approach to the Poor," Mother Teresa's authentic retrieval of Christian praxis through faith, hope, and charity is presented by Fr. Darren Dentino, MC. We delve into Mother Teresa's profound relationship with the underprivileged, showcasing a service approach that transcends simple social work and touches and heals the physical and inner wounds of many. Janice Breidenbach, a professor at Ave Maria University, sheds light on her own experience as a mother and explains Mother Teresa's deep understanding of motherhood in her paper, "Mother Teresa's Philosophy of Motherhood: Mother Teresa, A Carmelite Perspective." By CUA professor Fr. Stephen Payne, OCD, explores the connections between Mother Teresa and the

Carmelite tradition highlighting the influence of Carmelite spirituality on her life and journey Jim Towey's paper delves into Mother Teresa's motherhood and her humanity emphasizing how her ordinary yet profound acts of love and compassion were reflective of her saintly character In the annual conference held the following year Catholic University of America professor Bradley Gregory examines the phrase you did it to me from the judgment scene in the gospel of Matthew 25:40 which Mother Teresa would refer to as the gospel on five fingers Drawing on the rich theological resources of Scripture and the Church's tradition Professor Bradley expounds on how this passage relates to the gospel of grace which calls us into God's work of redeeming and healing the world Each paper testifies to Mother Teresa's enduring legacy as a reflection of God's love in the world providing readers an opportunity to contemplate her steadfast dedication and honor the legacy of one of the 20th century's most profound figures
