Radical Obedience Persevering Through Lifes Storms:

Radical Obedience Kevin Pringle, 2003-10-01 Many of us have come face to face with overwhelming circumstances as the storms of life come upon us we become desperate and vulnerable Radical obedience offers hope in the midst of lifes raging storms and shows the reader how to rise above their circumstances and encounter a water walking experience Radical Obedience takes you on a journey through the trials and triumphs of an individual that was awakened by his obligation to have God revealed to a lost generation Rev Pringle has identified a moral demise in the American Church and the need for Gods people to unconditionally obey the call of God Far too long the American Church has been satisfied with status quo and subsequently the Church is in danger

Tools for Peace Andrew Marr, 2007 A sixth century abbot who wrote a practical rule for his community and a twentieth century thinker who has roamed through literature cultural anthropology and religious thought what would these two men have in common to generate a conversation between them The religious study *Tools for Peace The Spiritual Craft of St Benedict* and Ren Girard combines their insights on how to understand and overcome violence in the world today In his Rule for monks St Benedict explored ways that people can live in peace with one another and with God Ren Girard probed human experience to seek the roots of violence that tears human communities apart and separates people from God A dialogue between this abbot and this modern thinker across fifteen centuries deepens the insights of both into the causes and cures of human violence and gives us the tools to apply their ideas in our troubled world For both St Benedict and Girard peace is rooted in God Anyone who yearns for harmony in the midst of the violence that surrounds us today can learn much from *Tools for Peace* essentially joining in a conversation between two people who share a desire for the serenity of God for all times

Flourishing in Tensions Michael Brautigam, 2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus s radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him Jesus s call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ s radical call into discipleship today
