Excerpt from Chapter One All Tanenbaum said was And then what happened Eddie He appeared to enter some weirdly hypnotic catatonic trance his already breathy voice became monotonal his eyes glazed over his face drained of expression and he went on and on and on She said Wait until your mother hears this this is going to break her heart And I said Please don t tell my mother Sherrald please don t tell my mother Sherrald please don t tell my mother And while Eddie Hurdle continued to mouth that refrain please don t tell my mother both of his hands gripped an imaginary knife and repeatedly metronomically plunged it down and raised it up and plunged it down and raised it up over and over and over again The three observers Davin Tanenbaum and the stenotypist sat in stunned silence as Eddie Hurdle reenacted his crime Other sins only speak murder shrieks out wrote playwright John Webster in 1623 and our fascination with murder and murder trials has continued unabated to the present Murder is after all the most dramatically unlawful thing a person can do to another It runs counter to the very fundamentals of human society breaching what social philosophers have termed the social contract Society speaks with its firmest voice in addressing the conduct of its members who kill another and murder prosecutions have the direst of consequences of any court proceeding as they may occasion the loss of a violator s liberty for life or even the loss of

his or her life itself But most murder cases while fascinating in the motives or personalities of the killers or the circumstances of the killings and the ensuing trials receive little attention and recede into ordinariness Only rarely does a murder case become a cause célèbre notorious enough to capture wide attention the O J Simpson Scott Peterson Claus von Bülow type cases prove the exception rather than the rule For the most part the public's perception of garden variety murder trials quickly becomes only memory's ashes strewn sparsely on the fields of public awareness Brought to life by the prosecutor who tried the six everyday murders narrated here three in Manhattan and three in San Francisco these true stories prove redolent with drama encapsulating raw human emotions that often impel man to murder greed lust jealousy hatred as well as mere folly and actually are quite extraordinary in their own context Sit at the prosecution's table with masterful prosecutor Hugh Anthony Levine as he represents the People of the State of New York or the People of the State of California in the trials of some everyday murders

*The New York Stories of O. Henry* O. Henry, 2019-08-14 With East Side tenements Wall Street offices and Fifth Avenue as their backdrops these colorful tales by a master storyteller recount the dreams and passions of New Yorkers at the turn of the twentieth century As O Henry William Sydney Porter 1862-1910 wrote more than 600 short stories many of them situated amid the bustle of Manhattan This collection presents 23 of his best offering an abundance of wit and irony along with his trademark surprise endings Selections include The Duel in which the author explains that every transplant to New York City must either conquer or be conquered by the metropolis What You Want an exploration of whether or not money can buy happiness and Proof of the Pudding a test of the most realistic way to respond to bad news Coincidence and fate figure prominently in these moving narratives which are marked by their keenly observed details and peopled by memorable characters whose dialogue is rich in zesty slang
