**The 'Creed of Science' in Victorian England** Roy M. MacLeod, 2024-10-28 The nineteenth century which saw the triumph of the idea of progress and improvement saw also the triumph of science as a political and cultural force In England as science and its methods claimed privilege and space its language acquired the vocabulary of religion The new creed of science embraced what John Tyndall called the scientific movement it was in the language of T H Huxley a militant creed The march of invention the discoveries of chemistry and the wonders of steam and electricity culminated in a crusade against ignorance and unbelief It was a creed that looked to its own apostolic succession from Copernicus Galileo and the martyrs of the scientific revolution Yet it was a creed whose doctrines were divisive and whose convictions resisted Alongside arguments for materialism utility positivism and evolutionary naturalism persisted reservations about the nature of man the role of ethics and the limits of scientific method These essays discuss leading strategists in the scientific movement of late Victorian England At the same time they show how science established served not only the scientific community but also the interests of imperial and colonial powers

**The Lions Finally Roar** Bill Morris, 2024-09-03 The epic and tumultuous story of the Lions the Ford family the city of Detroit and how all three have come together on the cusp of a new era On Nov 22 1963 William Clay Ford the youngest grandson of auto pioneer Henry Ford made a successful bid to buy the Detroit Lions of the National Football League for the unheard of sum of 6 million As Ford and his entourage settled down to a celebratory luncheon their waitress delivered the news that President John F Kennedy had been shot dead in Dallas Born under a bad sign is how Bill Ford s ownership of the Lions began After a decade of supremacy Ford led the team on a half century slog of mediocrity the fruit of his mercurial nature and undying loyalty to the wrong people The Lions Finally Roar is bursting with the colorful ruffians who have made the team one of America s most beloved sports franchises despite its years of futility Readers meet the hell raising quarterback Bobby Layne who is said to have put a curse on the team after he was traded to Pittsburgh the rock solid linebacker and future coach Joe Schmidt the stars Charlie Sanders Matthew Stafford Calvin Johnson and most spectacularly Barry Sanders the greatest running back in the history of the game who grew so disgusted with losing and mismanagement that he walked away when he was on the threshold of shattering the NFL s all time rushing record But the tide is finally turning The Lions Finally Roar culminates with the team s recent turnaround and playoff run under the stewardship of Bill

Ford's daughter Sheila Ford Hamp hired savvy general manager Brad Holmes and charismatic coach Dan Campbell and has stood behind them as they methodically returned the team to the ranks of the league's elite and at long last have made the Lions roar. Deeply researched and briskly written, *The Lions Finally Roar* is about much more than football. It explores the American class system, the linked histories of Detroit and its auto and music industries, the city's changing racial dynamics, the rising power of television, and how all of it played into the NFL's transformation from a fall sport into the multi-billion dollar year-round entertainment behemoth that is a cornerstone of American popular culture. **Justice Duty**

Andrew Bates, 2024-09-23 The Battle Continues. Questioning the origins of his ancestors, the estranged vampire called Beckett has come to Chicago, arriving in the middle of a now full-blown war. Unknowingly, Beckett helps Khalid al Rashid, a powerful Nosferatu, piece together the ancient history of the mummies, a history hidden for centuries. Now the Kindred not only face the threat of Thea Ghandour and her fellow hunters but now must also struggle against other immortals. An Unknown History: The Temple of Akhenaton has been destroyed, and Maxwell Carpenter reveals his true motive for uncovering the source of the mummies' power: revenge. Powered by his hatred, Carpenter will stop at nothing until he has killed the last member of the Sforza family, the mummy Nicholas Sforza. Ankhotepe: The mummies must protect the heart of their power, or they and their future will cease to exist. *Lay Down with Lions* is the second novel in the Year of the Scarab trilogy. This three-volume epic reveals the rise of an ancient power that threatens to forever alter the World of Darkness, the immortal beings known as mummies. **Quiver**, 1894 V 12 contains *The Archer*.
