**Chiang Yee** Da Zheng, 2010-02-26 A young man arrives in England in the 1930s knowing few words of the English language Yet two years later he writes a successful English book on Chinese art and within the following decade publishes more than a dozen others This is the true story of Chiang Yee a renowned writer artist and worldwide traveler best known for the Silent Traveller series stories of England the United States Ireland France Japan and Australia all written in his humorous delightfully refreshing and enlightening literary style This biography is more than a recounting of extraordinary accomplishments It also embraces the transatlantic life experience of Yee who traveled from China to England and then on to the United States where he taught at Columbia University to his return to China in 1975 after a forty two year absence Interwoven is the history of the communist revolution in China the battle to save England during World War II the United States during the McCarthy red scare era and eventually thawing Sino American relations in the 1970s Da Zheng uncovers Yee s encounters with racial exclusion and immigration laws displacement exile and the pain and losses he endured hidden behind a popular public image *As You Like it* William Shakespeare, 1890 Shakespeare at his sunniest posing serious questions in the most lighthearted tone Is there a natural difference between a Duke s daughter and a commoner Are men really stronger than women Or is it just society s role Some of these characters briefly discard the roles they ve played while others adopt new ones All learn something about themselves **A New Variorum Edition of Shakespeare: As you like it. 1890** William Shakespeare, 1891 V 23 The second part of Henry the Fourth 1940 v 24 25 The sonnets 1924 v 26 Troilus and Cressida 1953 v 27 The life and death of King Richard the Second 1955 **as you like it** William Shakespeare, 1959

**The Concise Cambridge History of English Literature** George Sampson, Reginald Charles Churchill, 1970-02-02 Based on The Cambridge history of English literature *Who's who Among North American Authors* Alberta Lawrence, 1927 Covering the United States and Canada with their possessions and neighbors and containing the biographical and literary data of living authors whose birth or activities connect them with the continent of North America with a press section devoted to journalists and magazine writers varies slightly **Who's who Among North American Authors** , 1925 *The Works of the English Poets, from Chaucer to Cowper* Alexander Chalmers, 1810 **The Works of the English Poets, from Chaucer to Cowper: Gower, Skelton, Howard, Wyatt, Gascoigne, Turberville** , 1810 [The Works of the English Poets, from Chaucer to Cowper](#) Samuel Johnson, 1810 **The Works of the English Poets from Chaucer to Cowper** , 1810

**Introduction to Ethical Literary Criticism** Nie Zhenzhao, 2023-09-15 The title is a thorough introduction to ethical literary criticism a critical methodology designed to interpret literature from the perspective of ethics including a whole set of concepts theories and working mechanisms Drawing on ideas from both Western ethical criticism and the Chinese tradition of moral criticism ethical literary criticism contrasts with the former in its occasional lack of a theoretical foundation and applicable methodologies and the latter that tends to make subjective moral judgments Its most ground

breaking argument is that while natural selection answers how humans are different from animals physically ethical selection endows human beings with reason and ethical consciousness The ethical nature and edifying function of literature is therefore asserted seeking to unfold in the literary text the ethical choices of human beings as a way to complete ethical selection in society within historical context The arguments and theoretical toolbox inject a unique ethical dimension into literary criticism and help understand anew the ethical and social potency of literature The theoretical elucidation exemplary textual analyses and a supplement of key terminologies and ancillary materials make this book an essential guide for students and general readers interested in ethical literary criticism and scholars of literary criticism ethical criticism and literary theory     The Modern Language Review ,1914     **Poetry and the Public** Joseph Harrington,2002-06-03 An informative account of the social meaning of poetry in the 20th century US     Sycorax J.B. Aspinall,2014-10-01 A tale of witchcraft and retribution in 14th century Yorkshire is told through the eyes of a penitent monk In the credulous squalor of medieval Yorkshire a peasant girl is accused of being a sorceress The suffering inflicted upon her by male superstition sparks a spectacular and terrifying retort which initiates the legend of Sycorax Many years later the story is recounted by Edmund a flawed monk at Byland Abbey who sets out to write a history of the witch as a penance for lascivious fantasies In the process he uncovers a brutal and eerie tale in which he becomes fatally involved Not just a trip into another epoch and more than just another supernatural thriller this cunning mock translation of the medieval tale of Sycorax reveals that the compulsions and delusions examined are endemic in us all today     *The Works of Francis Beaumont and John Fletcher* ,1905     **The Crimpoon** ,1916     The Dramatic Works Ben Jonson,1811     **The Dramatic Works** Francis Beaumont,1811     The Works of Francis Beaumont and John Fletcher Francis Fletcher, John Beaumont,2019-09-25 Reproduction of the original The Works of Francis Beaumont and John Fletcher by Francis Beaumont John Fletcher
