Class and Contemporary British Culture A. Biressi,H. Nunn,2013-04-23 How does culture articulate frame organise and produce stories about social class and class difference What do these stories tell us about contemporary models of success failure struggle and aspiration How have class based labels been revived or newly minted to categorise the insiders and outsiders of the new age of austerity Drawing on examples from the 1980s to the present day this book investigates the changing landscape of class and reveals how it has become populated by a host of classed figures including Essex Man and Essex Girl the squeezed middle the sharp elbowed middle class the feral underclass the white working class the undeserving poor selfish baby boomers and others Overall the book argues that social class although complicated and highly contested remains a valid and fruitful route into understanding how contemporary British culture articulates social distinction and social difference and the significant costs and investments at stake for all involved **Just Over the Horizon** Greg Bear,2016-04-26 The New York Times Book Review hails this collection of thirteen dazzling stories and a rare screenplay by Hugo and Nebula Award winning author Greg Bear as a solid introduction to the oeuvre of a classic writer Greg Bear author of Queen of Angels Eon and Hull Zero Three among many other hugely popular novels has an ability to transform challenging

scientific concepts into gripping fiction that has won him numerous awards and an avid following. He has written novels about interstellar war, human evolution, intelligent bacteria, international terrorism, and the exploration of deep space, but he doesn't stop there. This brilliant collection of Bear's stories, each newly revised by the author, proves he is a master of the short form as well. *Just Over the Horizon* offers thirteen mind-bending explorations of the near future or just beyond the border of conventional reality. The volume includes *Blood Music*, a Hugo and Nebula award-winning classic and the basis for the novel of the same name and the first science-fictional exploration of nanotechnology; *Sisters*, in which high school students find maturity and family by confronting a tragic genetic destiny; *Tangents*, winner of the Hugo and Nebula Awards about a persecuted scientist who seeks refuge in a better world; *Dead Run*, a tale of union truck drivers ferrying souls through Death Valley into Hell, adapted for an episode of the television series *The Twilight Zone*; *Sleepside Story*, which Bear calls one of his favorite pieces, an urban fantasy tale that takes a music student by Night Metro to the Sleepside mansion of a magical woman of the night; *Inverting Beauty and the Beast*, in a very modern mirror; *Genius*, the screenplay written for the television series *Outer Limits*, but never produced. *Just Over the Horizon* combines Bear's intense concern with the human condition with a deep understanding of science, resulting in a collection long to be remembered. **The Long Good Boy** Carol Lea Benjamin, 2015-04-07

A dog trainer turned PI and her pit bull go after a killer with a little help from a courageous dachshund in this mystery. By a Shamus Award winner, Rachel and Dash have a new client. Well, three new clients. A trio of transvestite working girls want Rachel to investigate the death of one of their own. Rosalinda's throat was slashed on Halloween right after the Greenwich Village parade. Finding her killer isn't exactly the NYPD's top priority, and LaDonna, Chi Chi, and Jasmine are terrified that they'll be next. With her cash retainer in hand and very few leads, Rachel starts digging. What is the connection between Rosalinda and a dead butcher? Soon, with the help of Chi Chi's mini dachshund, Clint, Rachel is breaking into a plant in the Meatpacking District. But her future is suddenly on the line when she sets herself up as bait to catch the killer. As Rachel follows a twisting trail with only Dash for protection, she discovers that her foray into the life could end with her own untimely death. *The Long Good Boy* is the 6th book in the Rachel Alexander and Dash Mysteries, but you may enjoy reading the series in any order. **Mi Karnival of Papier-Mâché** Kenny Attaway, 2022-12-21
