The Wall Street Journal. Dark Victory: A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career, made him millions, resulting in a federal grand jury hearing backed his political career and shaped his presidency. Library Journal. Moldea has, through sheer tenacity, amassed an avalanche of ominous and unnerving facts. Dark Victory is a book about power, ego, and the American way. Los Angeles Times.

**Slavery in the West** Guy Nixon, 2011 The history of the West from the Native perspective and the world-wide forces affecting them are rarely found in our history books. For the tribes in the West, the history before the 1840s is poorly understood and when taken out of context seems to make no sense to the casual reader. In particular, the history of the Native in Northern California seems to be completely overlooked. These people had a turbulent history prior to the Gold Rush of 1849 and while run over in the flood of immigration, their history continued. This fascinating part of our Nation's history and the context in which it occurred is the heart of this work. **Autobiography of an Unknown Football Player**
