Railway Paradise Switzerland:

Railway Heritage and Tourism Michael V. Conlin, Geoffrey R. Bird, 2014-05-08 This is the first book of its kind to examine railway heritage in the context of tourism in a comprehensive internationally relevant manner. It explores the challenges faced by developers and operators of railway heritage destinations including financial, legal and managerial sustainability in the modern tourism industry. These themes are exemplified by a variety of case studies of railway heritage in tourism from regions around the world including North America, Central America, South America, the Caribbean, Europe and Australasia. The volume will be of particular interest to scholars of cultural tourism as well as researchers and practitioners of industrial heritage tourism along with graduate and senior undergraduate students.
