innovations in the context of theatre history and of contemporary debates on class and gender while each edited play text is accompanied by detailed notes based on original research on the playwright theatre s and performances and contemporary reception Most of these plays existed only in manuscript and were quickly forgotten yet they make fascinating reading Nineteenth century playwrights had no reverence for a text we regard as canonical but added to deleted from and twisted Charlotte Bront s story to suit their own purposes One play has a cast of comic servants who follow Jane from Lowood to Thornfield In another the madwoman is revealed as the sister in law of a blameless Rochester A third has Blanche Ingram reduced to a fallen woman seduced and abandoned by John Reed Jane Eyre on Stage will appeal to readers interested in literary and theatrical history cultural studies and the intriguing afterlives of famous books *BLACKWOOD'S LADY'S*
