Gusty Lovers and Cadavers (A Raina Sun Mystery) Anne R. Tan, 2015-05-11 Gusty winds and a trail of destruction. Graduate student Raina Sun thought she knew what she was getting herself into when she volunteered to take the new foreign exchange student shopping on the last weekend before Christmas. But between a riot for the last hot toy of the season and an abandoned baby, the holiday is a season for mayhem and sometimes it doesn't pay to be a Good Samaritan. Raina wants to reunite the infant with his family but calling the mysterious phone number in the diaper bag leads to more questions than answers. A strange man claims to be the child's father and his alleged mother turns up dead. The local police are more interested in keeping the town's good name out of international news than considering if there's foul play. And to make matters worse, she has less than a week to find his real parents before the FBI takes over the case. Raina summons her sleuthing skills to protect this baby and soon discovers everyone has a few skeletons in their closets. With her pimp cane

It considers how women from the disparate religious traditions of Hinduism, Islam, and Christianity expressed devotion in parallel ways. The argument is that women's mysticism demands to be compared not because of any essential female experience of the divine, but because the parallel positions of marginalization that pre-modern women experienced led them to deploy intimate encounters with the divine to speak publicly and claim authority. The

topics covered range from the Sufi devotional tradition of Sidis Indians of African ancestry to the Bhakti poet Mirabai and the nuns of Barking Abbey Collectively the chapters show how mysticism allowed premodern women to speak and act by unsettling traditional gender roles and expectations for religious behavior At the same time as uncovering connections the juxtaposition of women from different traditions serves to highlight distinctive features The book draws on a range of disciplinary expertise and will be of particular interest to scholars of medieval religion and theology as well as history and literary studies

**The Ebony Exodus Project** Candace R. M. Gorham, 2014-07-01 Black women are the single most religious demographic in the United States yet they are among the poorest least educated and least healthy groups in the nation Drawing on the author's own past experience as an evangelical minister and her present work as a secular counselor and researcher The Ebony Exodus Project makes a direct connection between the church and the plight of black women Through interviews with African American women who have left the church the author reveals the shame and suffering often caused by the church and the resulting happiness freedom and sense of purpose these women have felt upon walking away from it This book calls on other black women to honestly reflect on their relationship with religion and challenges them to consider that perhaps the answers to their problems rest not inside a church but in themselves

In this pulse-pounding thriller, former Marine Raider Matthew Redd, a force to be reckoned with, Jack Carr, and the go-to man in a bad situation, Brad Taylor, must face his greatest fears and figure out how to escape when the one way out goes up in flames. Matthew Redd doesn't go looking for trouble. But this time it's found him anyway, and he's not the only one in the crosshairs. Late summer wildfires are a fact of life in Montana. But as an inferno nears Wellington, Matthew Redd gets the unusual call that a team of smoke jumpers has suddenly gone dark. As head of the county's fledgling search and rescue team, Redd drops into the fire zone and finds way more than he bargained for: a killer has taken out the smoke jumper team along with two civilians, and only a terrified young boy is left as witness. Redd and little Jack narrowly escape the raging fire, and Redd calls in Gavin Kline, now acting director of the FBI, to investigate the bigger forces at play. That afternoon, during one of her last clinic shifts before the birth of her second child, Emily Redd loses a young patient to an overdose. Fed up with yet another loss to the opioid crisis, this one a former schoolmate and a wounded veteran, Emily tracks down and confronts the retired doctor responsible for feeding her patient's deadly addiction. Hours later, when their home is attacked, Redd and Emily wonder which of them kicked a hornet's nest or if they've both stumbled onto pieces of a much bigger puzzle. As the fire closes in, they follow the connections from a corrupt doctor and a local opioid supplier all the way to a murdered whistleblower for a Big Pharma giant. As Redd's concern for young Jack grows, those who want to silence him forever hunt him down. Redd will do whatever it takes to protect the boy and his family, even if it means he'll have to outrun an inferno and come face-to-face with his greatest fear. *Gone Dark* is the 4th gripping thriller in the Matthew Redd series: *Fields of Fire*, *Matthew Redd 1*, *Lethal Range*, *Matthew Redd 2*, *Out for Blood*, *Matthew Redd 3*.
