Klein, 2005 The Hero and the Goddess Jean Houston, 2014-05-29 All great stories can change our lives and practically none is more transformational than Homer's The Odyssey which had a power so great that it launched Greek civilization and has influenced the West ever since In this fresh approach to self realization human potentials leader Jean Houston provides empowering experiential exercises at every key stage of Homer's epic to make The Odyssey our own journey As we set sail with Odysseus together we endure loss and suffering the search for the divine Beloved and the joy of finally arriving home Tapping the power of these archetypes says Houston helps us effect healing in areas that have kept us immobilized and

anguished By raising our own tragic dimension to a mythic level we awaken to a larger nobler life The New **Encyclopedia of Southern Culture** Samuel S. Hill, Charles Reagan Wilson, 2006-12-13 Evangelical Protestant groups have dominated religious life in the South since the early nineteenth century Even as the conservative Protestantism typically associated with the South has risen in social and political prominence throughout the United States in recent decades however religious culture in the South itself has grown increasingly diverse The region has seen a surge of immigration from other parts of the United States as well as from Latin America Asia and the Middle East bringing increased visibility to Catholicism Islam and Asian religions in the once solidly Protestant Christian South In this volume of The New Encyclopedia of Southern Culture contributors have revised entries from the original Encyclopedia on topics ranging from religious broadcasting to snake handling and added new entries on such topics as Asian religions Latino religion New Age religion Islam Native American religion and social activism With the contributions of more than 60 authorities in the field including Paul Harvey Loyal Jones Wayne Flynt and Samuel F Weber this volume is an accessibly written up to date reference to religious culture in the American South New Age Journal ,1997 Subject Guide to Books in Print ,1996 The <u>Visionary State</u> Erik Davis, 2006-06-22 With a rich cultural history and Hollywood stars publicly attesting to a wide range of faiths it s no surprise that California s spiritual landscape is as diverse as its natural surroundings The Visionary State weaves text and image into a compelling narrative of religion architecture and consciousness in California from neopaganism to televangelism UFO cults to austere Zen Buddhism Acclaimed culture critic Erik Davis brings together the immigrant and homegrown religious influences that have been part of the region s character from its earliest days drawing connections between seemingly unlike traditions and celebrating the diversity of California's spiritual composition Michael Rauner's evocative photographs depict the sites and structures where these traditions have taken root and flourished The Visionary State is a landmark look at what is likely the most varied locale for religious activity anywhere Teen Psychic Julie Tallard Johnson, 2003-11-06 Teens are introduced to their intuitive powers through guizzes meditations and exercises collected in this book Whirling Rainbow, Wildfire ,1990
