**The Rainbow Book** Victoria St. George, 2016-09-30 The Rainbow Book by Victoria St George is a poem about rainbows for children It takes them on a rhyming journey about rainbows and all the possibilities and splendor they possess Through the colorful and majestic artwork and the happy upbeat poem the children will follow along from beginning to end The use of relatable poetry is geared for children It helps them guess the next words and rhymes and they are able to follow along for a magical ride of the senses while learning about basic color theory as well as creative and loving ways to look at the world around them Enjoy the games and activities that The Rainbow Book has to offer      The Rainbow D. H. (David Herbert) Lawrence, 2020-04-04      Rainbow D. H. Lawrence, 2002-01-01 Set in the rural midlands of England The Rainbow chronicles the lives of three generations of the Brangwen family conveying how their rural existence is gradually but profoundly changed by the influx of industry and urbanism But it is far more ambitious      **The Rainbow (Annotated)** D H Lawrence, 2020-09-03 The Rainbow is a novel by British author D H Lawrence first published in 1915 It follows three generations of the Brangwen family living in Nottinghamshire 2 particularly focusing on the individual's struggle to growth and fulfilment within the confining strictures of English social life Lawrence's 1920 novel Women in Love is a sequel to The Rainbow      *The Rainbow : Illustrated* David Herbert Lawrence, 2021-11-11 D H Lawrence's 1915 novel The Rainbow is the story of three generations of the Brangwens family While tame by today's standards The Rainbow for its frank treatment of human sexuality caused Lawrence to be prosecuted on an obscenity charge in England when it was first published Through richly personal characterizations The Rainbow deals profoundly with the very nature of human relations as it explores the sexuality of Ursula Brangwen and her mother Anna Brangwen      The Rainbow D H Lawrence, 2020-10-04 The Rainbow is a novel by British author D H Lawrence first published in 1915 It follows three generations of the Brangwen family living in Nottinghamshire particularly focusing on the individual's struggle to growth and fulfilment within the confining strictures of English social life Lawrence's 1920 novel Women in Love is a sequel to The Rainbow      *The Rainbow Annotated* David Herbert Lawrence, 2021-04-20 The Rainbow is a 1915 novel by British author D H Lawrence It follows three generations of

the Brangwen family particularly focusing on the sexual dynamics of and relations between the characters Lawrence's frank treatment of sexual desire and the power plays within relationships as a natural and even spiritual force of life though perhaps tame by modern standards caused *The Rainbow* to be prosecuted in an obscenity trial in late 1915 as a result of which all copies were seized and burnt After this ban it was unavailable in Britain for 11 years although editions were available in the USA *The Rainbow* was followed by a sequel in 1920 *Women in Love* Although Lawrence conceived of the two novels as one considering the titles *The Sisters* and *The Wedding Ring* for the work they were published as two separate novels at the urging of his publisher However after the negative public reception of *The Rainbow* Lawrence's publisher opted out of publishing the sequel This is the cause of the delay in the publishing of the sequel *The Rainbow* David

Lawrence, 2018-04-23 **Rainbow's Shadow and the Tablets of Fate** John Cicero, 2006-03-09 *Rainbow's Shadow and the tablets of fate* is an adventure fantasy tale about two novels *Rainbow Alley* and *The Sorcerers Shadow* which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel *Rainbow Alley* is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel *The Sorcerers Shadow* is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Will's brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality *Rainbow Alley* is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to *Rainbow Alley* the unthinkable happens By accidentally placing *The Sorcerers Shadow* novel underneath the *Rainbow Alley* novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand *Rainbow's Shadow and the Covenant of Wisdom* John Cicero, 2010-03 *Rainbow's SHADOW and the Covenant of Wisdom* *Rainbow's Shadow and the Covenant of Wisdom* picks up where *Rainbow's Shadow and the Tablets of Fate* leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to *Rainbow Alley* for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in

his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer s Shadow novel entitled The Pirate s Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer s Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind **My Rainbow Book.
