[The Third Rainbow Girl](#) Emma Copley Eisenberg, 2020-01-21 A NEW YORK TIMES 100 Notable Books of 2020 A stunning complex narrative about the fractured legacy of a decades old double murder in rural West Virginia and the writer determined to put the pieces back together In the early evening of June 25 1980 in Pocahontas County West Virginia two middle class outsiders named Vicki Durian 26 and Nancy Santomero 19 were murdered in an isolated clearing They were hitchhiking to a festival known as the Rainbow Gathering but never arrived For thirteen years no one was prosecuted for the Rainbow Murders though deep suspicion was cast on a succession of local residents in the community depicted as poor dangerous and backward In 1993 a local farmer was convicted only to be released when a known serial killer and diagnosed schizophrenic named Joseph Paul Franklin claimed responsibility As time passed the truth seemed to slip away and the investigation itself inflicted its own traumas turning neighbor against neighbor and confirming the fears of violence outsiders have done to this region for centuries In *The Third Rainbow Girl* Emma Copley Eisenberg uses the Rainbow Murders case as a starting point for a thought provoking tale of an Appalachian community bound by the false stories that have been told about Weaving in experiences from her own years spent living in Pocahontas County she follows the threads of this crime through the complex history of Appalachia revealing how this mysterious murder has loomed over all those affected for generations shaping their fears fates and desires Beautifully written and brutally honest *The Third Rainbow Girl* presents a searing and wide ranging portrait of America divided by gender and class and haunted by its own violence
