Linda Franklin

Rainbows At Midnight:

Satan's Last Crusade: The Total Concept , Cloud and weather atlas Hugh Duncan Grant, Cloud and weather atlas

Robin Rainbow Donald McCrory,2024-05-24 Robin Rainbow is a contemporary work of fiction written for young adults The discovery of a casket that contains a map with a riddle sends Robin and his school friends on a quest that leads them to encounter the ever present forces of Evil that lurk everywhere Dramatic turning points that include their capture escape recapture their rescue via celestial beings and their return to everyday reality dictate the novel s narrative arc When at war with the powers of evil concern at their disappearance from home and school soon becomes global To find the missing children huge rewards are offered that tempt bounty hunters from across the world Their disappearance is taken more seriously than any illegal invasion of another country or outbreak of Covid 19 and its variants or any alleged alien abduction Conversational in style the text both challenges and entertains The element of surprise a deep thirst for adventure the search for knowledge and happiness sustain the reader s interest throughout Catalog of Copyright Entries ,1946

Soul Trains Larry Portis,2002 Soul Trains shows how the interaction of social classes and ethnic communities and the growth of a music industry created new music in the United States and Britain A central question addressed is how popular perceptions of authentic musical expression are influenced by attempts to control or modify musical taste The dynamic of musical innovation in capitalist society emerges from a process conditioned by historical events language and cultural traditions acting variously as forces for rebellion resistance or reaction This book avoids abstract language or jargon It shows how popular musical culture cannot be understood apart from economic change and the evolution of social relationships An excellent initiation to the history of popular music it is especially recommended to the general reader and for use as an introductory text in the study of cultural and social change A people s history Soul Trains combines major contributions to scholarship in a singlepanorama of musical evolution related to the struggles of ordinary people **People of the**

Rainbow Michael I. Niman,1997 Since 1972 the Rainbow Family of Living Light a loosely organized and anarchistic nomadic community has been holding large gatherings in remote forests to pray for world peace and create a model of a functioning utopian society Michael I Niman s People of the Rainbow originally published in 1997 was the first comprehensive study of this countercultural group and its eclectic philosophy of environmentalism feminism peace activism group sharing libertarianism and consensus government It is a book yet to be superseded This second edition of Niman s compelling and insightful work brings the Rainbow story up to date with a new introduction and two extensive new epilogues While the big annual Rainbow Gatherings have drawn fewer numbers in recent years Niman notes the Rainbow ethos has in many ways migrated to the mainstream as Rainbow notions about alternative medicine and environmental sustainability for example have gathered wider acceptance and influenced the national dialogue Meanwhile Rainbow movements in other regions from Eastern Europe and the Middle East to Asia and Australia are thriving In addition to addressing changes within the Rainbow

Family and its complex relationship to Babylon what Rainbows call mainstream culture the book s new material explores the growing harassment Rainbows now face from U S law enforcement agencies especially those associated with the National Forest Service As Niman contends this particular saga of a U S bureaucracy at war with its own citizens is a subplot in the larger and disturbing story of how the relationship between Americans and their government has changed during the first decade of the twenty first century In its nuanced portrait of an intriguing subculture its successes and its limitations *People of the Rainbow* remains a significant contribution to the study of utopian communities in the United States and their ongoing legacy Michael I Niman is a professor of journalism and media studies in the Communication Department at Buffalo State College in New York
