Secret Of Creating Your Future:

Creating Your Future David B. Ellis, 1999-11-09 The author of *Becoming a Master Student* presents a motivational road map for getting the most out of life through a five step program: commit, create, construct, carry out and celebrate. *How To Create Your Future*, [The Secret of Creating Your Future](#) Tad James, 1989 *There Is No Time Like The Present To Create Your Future* Chineme Noke, 2012-03-01 Chineme Noke helps people to overcome the very real problems they face which can overwhelm and rob them of their well being and future happiness. She does this by dealing effectively with what she refers to as the mountains and molehills that we all encounter in our daily lives. She formulated these seven action steps in order that anybody can take charge of their present to create for themselves a better future. They are action steps that will change your attitude and ultimately your life. As a woman working in a male dominated corporate world for over 20 years, Chineme realised early on that it was essential for her to be able to deal effectively with the ongoing challenges and opportunities with which her rapid career progression inevitably presented. Her daughter has learning difficulties and Chineme's past experiences served her well in dealing with the challenges and opportunities that her daughter faced within the educational system. *The Edgar Cayce Handbook for Creating Your Future* Mark Thurston, PhD, Christopher Fazel, 2010-05-12 This remarkable handbook presents Cayce's twenty four spiritual keys which unlock the doors of self understanding. They operate like formulas that teach us about the mysteries of living and are evident to anyone who is willing and able to look closely at life. As you will see, these principles can be applied to every situation and you can begin to use them instantly in your everyday life. Everything Happens for a Reason, You Have a Purpose in Life, Love Means Honoring the Other Person's Free Will, Every Crisis Is an Opportunity for a Breakthrough and many more. Filled with inspiring counsel, this is a truly accessible guide to the universal principles that govern the grand game of life. It can enable you to become a more creative, productive and joyful person, a true co-creator with your higher power. **The Secret of Words** Dmytro Yefimov, 2017-09-07 A book that motivates you to think positively, dream and achieve your dreams.
