Selected Poems 1944-1977:

The Essential Elizabeth Brewster Elizabeth Brewster, 2021-04-16 Despite an impressive post secondary education and a body of work that spans more than twenty books and seven decades Elizabeth Brewster's quiet humility in the face of all that tradition of the Western literary canon belies her contribution to Canada's cultural history Perhaps fittingly her poems demonstrate a sense of isolation a quest for selfhood a desire to understand and to be understood Often conversational in tone her poems are direct and characterized by a deliberate economy of language and freedom from the restrictions of traditional form Editor Ingrid Ruthig examines the aesthetic touchstones stylistic shifts and thematic range in the poetry of a woman whose work is included in critical anthologies while her name is missing from their introductions The Essential Poets Series presents the works of Canada's most celebrated poets in a package that is beautiful accessible and affordable The Essential Elizabeth Brewster is the twenty second volume in the increasingly popular series Women's Writing in Canada Patricia Demers, *Canadian Literature in English* W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words The Oxford Companion to Modern Poetry in English Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **A Magical Clockwork** Susan Ioannou, 2000-01-01 Quoting over 60 of Canada's best poets from Atwood through Lane to Wayman A Magical Clockwork reveals the subtle mechanisms that make a poem tick **Collected Poems of Elizabeth Brewster** Elizabeth W. Brewster, 2003 Sharing the Past J.A. Weingarten, 2019-07-15 Sharing the Past is an unprecedentedly detailed account of the intertwining discourses of Canadian history and creative literature When social history emerged as its own field of study in the 1960s it promised new stories that would bring readers away from the elite writing of academics and closer to the everyday experiences of people Yet the academy's continued emphasis on professional distance and objectivity made it difficult for historians to connect with the experiences of those about whom they wrote and those same emphases made it all but impossible for non academic experts to be institutionally recognized as historians Drawing on interviews and new archival materials to construct a history of Canadian poetry written since 1960 Sharing the Past argues that the project of social history has achieved its fullest expression in lyric poetry a genre in which personal experiences anchor history Developing this genre since 1960 Canadian poets have provided an inclusive model for a truly social history that indiscriminately shares the right to speak authoritatively of the past *Selected Poems of Elizabeth Brewster* Elizabeth W.
