Activity & Reminiscence Handbook Danny Walsh, 2018-10-24 This comprehensive guide provides a bumper book of original resource material for reminiscence and activities with older people for a whole year. Containing 52 sections of ideas and resource materials for each week of the year, this is an invaluable resource for activity organisers and group leaders in residential day care and hospitals and for anyone working with older people. There is a theme for each week, e.g. Animals and pets with corresponding ideas for social events, reminiscence exercises and games, quizzes, art and crafts, as well as this week in history, good ideas, discussion topics, homework and the option to personalise the week by recording local anniversaries and events alongside personal landmarks and details. The ideas are easy to use and are relevant for both groups and individuals, including those with mental health and cognitive problems. Some activities require some physical effort, others mental effort, but they are all adaptable to be fun and achievable. This book also includes an introduction to the nature and value of reminiscence and activities and guidelines on how to do it. Bigenho, 2016-04-30 *Sounding Indigenous* explores the relations between music, people and places through analysis of Bolivian music performances by a non-governmental organization involved in musical activities by a music performing ensemble and by the people living in two rural areas of Potosi.
