J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wanabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching

The Kennedys: America's Emerald Kings Thomas Maier, 2009-03-25 Meticulously researched both here and abroad The Kennedys examines the Kennedy s as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy s arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK s pioneering campaign for president rested on a tradition of navigating a cultural divide that began when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe

Kennedy's tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier's original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country's foremost political dynasty Congressional Record United States. Congress, 1963 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Ireland: The Autobiography** John Bowman, 2016-09-15 Ireland in its own words a dazzling compendium Over the past hundred years Ireland has undergone profound political social and cultural changes But one thing that has not changed is the Irish genius for observation and storytelling invective and self scrutiny Ireland The Autobiography draws upon this genius to create a portrait of a century of Irish life through the words of the people who lived it Broadcaster and historian John Bowman has mined archives diaries and memoirs to create a remarkably varied and delightfully readable mosaic of voices and perspectives Ireland The Autobiography is a brilliantly selected wide ranging and engrossing take on the last century of Irish life It gives us a portrait of Ireland unlike anything we've read before Absorbing and illuminating John Bowman has selected a range of accounts of Irish life that do justice to what happened what it felt like and the personal and societal experiences alongside the official version Diarmaid Ferriter Irish Times A treasure Irish Examiner A whistle stop tour of the seismic seminal and explosive events which shaped the nation as we know it Irish Independent Entertaining and informative Sunday Business Post A remarkably varied and delightfully readable mosaic of voices and perspectives Women's Way A thoughtful and eclectic collection Irish Mail on Sunday Library of Congress Catalog Library of Congress, 1970 A cumulative list of works represented by Library of Congress printed cards *Memory Ireland* Oona Frawley, 2014-05-16 Recent years have seen cultural memory become a significant element in area studies and the humanities Ireland with its trauma filled history and huge global diaspora presents a fascinating subject for work in this vein This series as a whole seeks to construct a landscape of cultural memory in Ireland looking to map through an examination of various historical moments spaces and cultural forms the ways in which cultural memory shifts over time Volume 3 focuses on the impact of trauma on cultural memory by considering two cruxes the Famine and the Troubles as formative to the study of Irish cultural memory Topics include hunger strikes monuments to the Famine trauma and the politics of memory in the Irish peace process and Ulster Loyalist battles in the twenty first century Gathering the work of leading scholars such as Graham Dawson Richard Kearney Margaret Kelleher David Lloyd and Joseph Valente this collection is an essential contribution to the field of Irish studies
