Men Homosexuality And The Gods:

Men, Homosexuality, and the Gods Ronald Long, 2013-02-01 Compare worldwide religious regulations involving gay sex and masculinity Men Homosexuality and the Gods An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye opening look at the traditions of particular religions and their edicts concerning gay sex This book examines the origins of holy directives involving homosexuality whether forbidden tolerated or mandatory and establishes a link between theology sex roles and the sensitive issue of masculinity This text draws a parallel between homosexuality and the idea of religion suggesting that gay rights can be understood as a freedom of religion issue While most readers are familiar with the traditional Islamic Christian and Hebrew prohibitions against sex between two males this book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality Men Homosexuality and the Gods argues that masculinity is the universal theme that formed historical interpretation warriors and men of high status could not be sexually receptive or feminine and still be called men This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Men Homosexuality and the Gods examines the significance of homosexuality in such religions as the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men Homosexuality and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com *Men, Homosexuality, and the Gods* Ronald Edwin Long, 2004 Men Homosexuality and the Gods is an eye opening look at a representative sampling of religions and their edicts concerning gay sex This book examines the origins of historic holy directives involving homosexuality whether forbidden tolerated or mandatory and establishes a link between theology sex paradigms and the sensitive issue of masculinity This intriguing text calls for a new approach to gay rights as a freedom of religion issue and shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com **The Word of God and Homosexuality** V. Alexander, 2018-01-09 This book will definitively answer the following questions 1 Were homosexuals created by God 2 What is the root cause of homosexuality 3 Does God love homosexuals 4 How should homosexuals be treated by society 5 How should the church treat homosexuals You will see the findings of some researchers who are searching for the so called homosexual gene and what their findings are thus far You will also see who God is and what gives Him the authority to say what is right and what is wrong and if what He says is for

the betterment or detriment of mankind Sin will be covered in this book You will see what it is and where it came from Also the devastating effects that sin has on our environment and our lives will be explained as well Birth defects will be covered including the intersex defect and the parents responsibility in raising their children You will see the importance of parents being vigilant during the developmental years of their children You will also see the importance of looking out for any defects i e blindness mental physical homosexual tendencies etc a child may have and what to do if you detect them What is a Christian What is a mature Christian What is the church and how should the church react when a homosexual wants to join the church These questions will be answered in detail as well Men's Bodies, Men's Gods Bjorn Krondorfer,1996-01-01

Men s Bodies Men s Gods explores the intersection of body religion and culture from the specific perspective of male identities How are male bodies constructed in different historical periods and contexts How do race ethnicity and sexual preference impact on the intersection of male bodies and religious identity Does Christianity provide models to cope with the aging and ailing male body Does it provide models for intimacy between men and women Between men and men And how do men reflect the carnal dimensions of power abuse and justice *God's Grace and the Homosexual Next Door* Alan

Chambers, **Men and Masculinities in Christianity and Judaism** Bjorn Krondorfer,2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study **When**

Homosexuality Invades the Family Ruth Ann Bruce,2003-11 **Roman Homosexuality : Ideologies of Masculinity in Classical Antiquity** City University of New York Craig A. Williams Assistant Professor of Classics Brooklyn

College,1999-05-12 This book provides a thoroughly documented discussion of ancient Roman ideologies of masculinity and sexuality with a focus on ancient representations of sexual experience between males It gathers a wide range of evidence from the second century B C to the second century A D above all from such literary texts as courtroom speeches love poetry philosophy epigram and history but also graffiti and other inscriptions as well as artistic artifacts and uses that evidence to reconstruct the contexts within which Roman texts were created and had their meaning The book takes as its starting point the thesis that in order to understand the Roman material we must make the effort to set aside any preconceptions we might have regarding sexuality masculinity and effeminacy Williams book argues in detail that for the writers and readers of Roman texts the important distinctions were drawn not between homosexual and heterosexual but between free and slave dominant and subordinate masculin and effeminate as conceived in specifically Roman terms Other important questions addressed by this book include the differences between Roman and Greek practices and ideologies the influence exerted by distinctively

Roman ideals of austerity the ways in which deviations from the norms of masculine sexual practice were negotiated both in the arena of public discourse and in real men s lives the relationship between the rhetoric of nature and representations of sexual practices and the extent to which same sex marriages were publicly accepted **Homosexuality, the Bible, the Truth** Wayne Gray,2012-10-31 God is not the author of hate nor is He the author of ignorance His love truly lived brings peace His wisdom generates knowledge of truth and His grace leads us to end our bigotries and embrace unity in His name Let wars end let hatreds end let ignorance end May Gods truth set us free This book is about the truth The big business purveyors of bigotry who make money keeping us divided against one another will do everything they can to destroy this book I prayerfully ask you to read it and spread the truth The Bible does NOT condemn homosexuality and the anti homosexual lie invented by man has brought enough pain It must end Wrestling with God and Men Steven Greenberg,2004-01-16 In 1999 Rabbi Steven Greenberg challenged the rejection of homosexuality in orthodox Jewish religion openly declared his homosexuality In this book he calls for the orthodox community to debate long held assumptions about religious identity Homosexuality and the Bible R. Nicholas Black,2014-11-30 As the conversation around homosexuality becomes increasingly hostile on all sides it can be difficult to know where to stand as a Christian You don t want to compromise God s Word either by blindly following the culture or by treating others with hatred and contempt How do you hold onto your convictions without projecting an image of **Queer Religion** Donald Boisvert,Jay E. Johnson,2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture Queer Religion provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume collection of eclectic essays investigates the experiences of queer people and religion providing a broad unique and invaluable analysis of this important cultural and theological encounter As a group the contributors offer brave insights and diverse perspectives on a variety of topics dealing with religion same sex desire and gender expression Some of these essays are explicitly historical in focus or scholarly articles while others provide autobiographical viewpoints and personal reminiscences This book provides a comprehensive look at the queer dimensions of religious practice and belief essential reading for religious scholars those within the LGBT community and anyone interested in human spirituality and sexuality Gods, Guns, & Fear Jan P. Oller,2008-11-17 Never before has a book like God Guns Fear been written God Guns Fear is a unique look into most corrupted capitalist society in the world It offers insight into the true mechanisms the cultural ideological roots which governs the most omnipotent yet perverse national entity to appear in the annals of history This book examines the corruption of the capitalist plutocracy of the United States not only by documenting the prevalent acts of corruption

themselves but by also delving into the depths of American ideological religious dogmatism The book is a voice of protest in defense of humanity ethics socialist democracy and freedom from Christian fundamentalism It is meant as a voice of truth for those who already have a love for all that is humanity as written not only from facts but from the heart as well **Life by Suicide** Michael F. Clark, 2010 Life By Suicide is about killing all the negative things in your life Things that have kept you from being happy and seeking your salvation This is the story of one man's journey His depression and his addictions to both alcohol and drugs left him feeling suicidal However because of his love for God and his daughter suicide was not an option While in this dark and vile place in his life God revealed to him the secret of life It was at this point that Life By Suicide was revealed to him Because of his love for others he has released his personal experiences in this extraordinary book It is his hope that you can find your happiness and salvation through Life By Suicide *Romans & Galatians* R. J. Rushdoony, From the author's introduction I do not disagree with the liberating power of the Reformation interpretation but I believe that it provides simply the beginning of our understanding of Romans not its conclusion The great problem in the church's interpretation of Scripture has been its ecclesiastical orientation as though God speaks only to the church and commands only the church The Lord God speaks in and through His Word to the whole man to every man and to every area of life and thought To assume that the Triune Creator of all things is in His word and person only relevant to the church is to deny His Lordship or sovereignty If we turn loose the whole Word of God onto the church and the world we shall see with joy its power and glory This is the purpose of my brief comments on Romans **America's Four Gods** Paul Froese, Christopher Bader, 2010-10-07 Despite all the hype surrounding the New Atheism the United States remains one of the most religious nations on Earth In fact 95% of Americans believe in God a level of agreement rarely seen in American life The greatest divisions in America are not between atheists and believers or even between people of different faiths What divides us this groundbreaking book shows is how we conceive of God and the role He plays in our daily lives America's Four Gods draws on the most wide ranging comprehensive and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed Drawing upon original survey data from thousands of Americans and a wealth of in depth interviews from all parts of the country Froese and Bader trace America's cultural and political diversity to its ultimate source differing opinions about God They show that regardless of our religious tradition or lack thereof Americans worship four distinct types of God The Authoritative God who is both engaged in the world and judgmental The Benevolent God who loves and helps us in spite of our failings The Critical God who catalogs our sins but does not punish them at least not in this life and The Distant God who stands apart from the world He created The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life

Accessible insightful and filled with the voices of ordinary Americans discussing their most personal religious beliefs America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else **The Bible and Homosexual Practice** Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible's rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time Jürgen Becker Professor of New Testament Christian Albrechts University *Paul's Book to the Romans* Clyde R. Garriott B.D., 2020-04-16 Paul's Book to the Romans Commentary and Outlines By Clyde R. Garriott B.D. Paul's Book to the Romans Commentary and Outlines is a schematic arrangement of the text of Apostle Paul's Book of Romans by paragraph sentence clause phrases and words designed to help readers better understand his teachings *The Construction of Homosexuality* David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F. Greenberg's careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B. Dirks New York Times Book Review **The Prophet's Dictionary** Paula A. Price, 2006-04-07 The Prophet's Dictionary by Paula Price is an essential tool for laymen prophesiers pastors intercessors and dreamers of dreams As an all in one dictionary and reference book containing over 1 600 relevant definitions of terms and phrases for the prophetic realm of Christian ministry it will show you how to Experience the power of the gifts of prophecy Understand their operation in our modern world Correctly interpret and apply God's prophetic words Distinguish between true and false prophets Differentiate between spiritual and natural dreams Understand God given dreams Develop your spiritual gifts In addition the author exposes ancient religious seductions and how they have infiltrated movies television and books Prophetic visions and clues to interpreting their symbolism imagery and signs are also included People from all walks of life can benefit as this book aids in the understanding of what may be expected from prophets or the prophetic ministry Delve deeper and you will find much more God speaks to us today
