Mental Maths For Ages 8-9:

Let's Do Mental Maths for Ages 8-9 Andrew Brodie, 2013-08-20 Each book in this exciting new series contains more than 800 mental maths questions specially devised to boost children's confidence by providing plenty of practice of all the key aspects of the national curriculum. The structure of each test follows the same pattern but the questions get progressively more difficult as children work their way through the book. Tips provided by Digit the dog and word puzzles in the form of Andrew Brodie Brain Booster boxes provide extra elements to support children's learning and challenge them further. Fun stickers featuring Digit the dog for every page make sure children are rewarded for their efforts. *Let's do Addition and Subtraction 8-9* Andrew Brodie, 2016-05-19 From trusted primary education expert Andrew Brodie the Let's Do series is the ideal home learning resource for children. Expertly designed to meet all the demands of the National Curriculum the workbooks provide all the practice children need to build their confidence and boost their ability. Let's Do Addition and Subtraction is a brand new series of six titles in the popular Let's Do range. Each book addresses the new National Curriculum maths specifications and contains a rich variety of activity pages and progress tests with over 400 questions in total. Topics include column addition and subtraction by decomposition and practice of basic number bonds. Designed to be used at home with parental support each book includes fun tips and clues as well as extra challenges in Brodie's Brain Boosters. Building up speed and confidence is key and so these books feature progressively more difficult activities with a progress test at the end of each section. There is a clear answer section for reference by parents and children together with over 100 bright colourful reward stickers. **Let's do Arithmetic 8-9** Andrew Brodie, 2016-03-10 From trusted primary education expert Andrew Brodie the Let's Do series is the ideal home learning resource for children. Expertly designed to meet all the demands of the National Curriculum the workbooks provide all the practice children need to build their confidence and boost their ability. Matched to the demands of the National Curriculum and the arithmetic tests at Key Stages 1 and 2 the Let's Do Arithmetic workbooks have been carefully devised to match the appropriate age and stage of your child. Each book contains 40 tests which become progressively more challenging throughout to ensure progress can be made. With a recording chart for checking progress and full answers to aid your assessment this book is the perfect way to test understanding of basic arithmetic concepts and prepare for the timed National Tests that your child will be encountering in school. Interactive Maths Teaching in the Primary School Nick Pratt, 2006-10-12 Nick Pratt's book looks in detail at the real meaning of teaching mathematics interactively in primary schools. Each section is set clearly within a context, is linked by key ideas, the important bits to think about and is summarised to give a succinct close to the chapter's content and thinking. It is a book that the reader will definitely find useful and thought provoking. It certainly made me consider how small changes and a wider variety of approaches in the classroom can make big changes in children's learning and understanding of mathematical concepts. Mike Eatwell Primary Maths Advisor Bristol LEA Using a whole class

interactive approach to teaching mathematics is a key feature of the National Numeracy Strategy NNS and this book looks at not only what works but also why things work Teachers will be able to understand why and how the various teaching strategies they are using in their classrooms have a positive effect on children's learning The book covers how to engage in meaningful reflective practice that will improve your lessons how to use whiteboards making mathematical meaning through talk getting the whole class interacting thinking talking and acting mathematically teaching number starting points teaching shape and space starting points developing your interactive teaching a glossary of terms It is aimed at both practising and trainee teachers and offers clear subject guidance as well as an explanation of a key part of the NNS It supports both individuals and mathematics subject leaders delivering INSET to their colleagues **The Children's Buyer's Guide**, 2007
