Mienteme Mientras Me Besas:

Miénteme mientras me besas Javier Menéndez Flores, 2001 **Miénteme mientras me besas** Javier Menéndez Flores, 2003 **Seeing in Spanish** Ryan Prout, Tilmann Altenberg, 2011-05-25

Seeing in Spanish brings together 22 chapters which share a focus on aspects of visual cultures from the Spanish speaking world. Together these chapters address film, photography, cover art, body art, posters, television, architecture, ekphrasis, biography, murals, graffiti, and digital photo montage. Between Don Quixote and Daddy Yankee, the essays move from the seventeenth century to the present and traverse Europe, the Americas, and cyberspace. The book is divided into five sections. The first of these on Spain includes chapters on the representation of women on LP covers in Spain in the 60s and 70s, portrayals in Spanish cinema of Saint Teresa, Luis Buñuel's adaptation of *Tristana*, urban and rural space in recent Spanish documentary film, Catalan television, fine art in Don Quixote, and visions of adoption in three narratives by Spanish writers and filmmakers. The second section on Mexico and Peru includes chapters on the fragmentary body in images of Mexico, the art of Abraham Angel, Jesús Ruiz Durand's agrarian reform posters, Diego Rivera's murals, and the role of artistic production in staging the 2006 Oaxaca conflict. The third section on Cuba looks at the portrayal of women and of children in recent cinema from the island. It also examines Nancy Morejon's celebration of the life and art of exiled Cuban artist Ana Mendieta. Section four includes chapters on Chile and Argentina. It addresses street art and graffiti, new forms of publishing, Chilean cinema after Pinochet, and Violeta Parra's appliqué and collage works. Section five embraces Colombia, Bolivia, and virtual spaces. The contributions to this last section of the book examine childhood in Colombian cinema, the online creativity of pro and anti fans of reggaeton, and the photographic diaries of Tifor Rees, the UK's first ambassador to Bolivia. In addition to the geopolitical structure which underpins the book's five sections, the introduction suggests pathways through the contributions focussed on public art and graffiti, women, children, cyberspace, and diplomacy, and reconstruction and disintegration. Seeing in Spanish includes 50 illustrations, stills from films, photographs, reproductions of paintings, and screen grabs from the internet which complement the chapters' analyses of aspects of Hispanic visual cultures. To aid accessibility, footnotes throughout the book provide English translations of all references from texts in other languages. Taken together, the book's 22 chapters make a valuable contribution to the existing literature on figures like Don Quixote and Saint Teresa. They also break new ground in approaches to novel areas of scholarship such as sleeve design, artisanal book production, and digital image manipulation. The book will appeal to students and scholars of Spain and Latin America as well as to a general readership with an interest in the visual cultures of the Spanish speaking world.

Extremoduro Javier Menéndez Florez, 2013-07-11. El libro autorizado de la banda de rock española más influyente de todos los tiempos. No sabemos cómo de importantes somos pero sí que somos independientes. Hacemos las cosas básicamente basándonos en dos variantes: Como nos da la gana y cómo podemos. No hacemos nada al revés que nadie simplemente porque no hacemos nada respecto a cómo lo haga nadie. Extremoduro. Extremoduro lleva más de 25 años sobre

los escenarios ofreciendo su modo de hacer rock un rock que Roberto Iniesta líder y alma del grupo ha bautizado como transgresivo y que ha dotado a toda su discografía de una coherencia que ha roto todas las tendencias creando por el camino un estilo propio y más a menudo Este libro además de un tributo y un recorrido por su trayectoria es un profundo análisis del imaginario de esta banda y su líder a través de sus letras cargadas de poesía de sus lugares comunes y de toda una manera de entender la vida con la que han logrado una auténtica legión de seguidores Extremoduro está considerado actualmente por muchos críticos musicales así como por otros artistas españoles como el mejor grupo de rock español de la historia y su voz Roberto Iniesta como el mejor letrista Este libro rinde homenaje a los millones de seguidores que no dejan de escuchar su música comprar sus discos e ir a sus conciertos y que quieren recorrer su historia musical en papel y sobre todo descubrir aspectos íntimos de una banda que nunca concede entrevistas Una joya para los fans Formato especial para lectura en tabletas
