Good Thyme Cafe is found dead strangled by the electric cord of a Salad Shooter. The police suspect Kate's best friend Barbara. Kate sleuths fearing that otherwise her friend's fowl free goose may be cooked. *A Stiff Critique* Jaqueline Girdner, 2014-04-01. Kate Jasper, Marin County, California's own organically grown amateur sleuth returns in this sixth mystery in the series. Kate is considering writing something besides jokes on the sides of coffee mugs for her gag gift company Jest Gifts. To her own embarrassment the stuff she is writing is poetry. In *A Stiff Critique* she joins a writers critique group with her friend Carrie hoping for sensitive support. But the group's criticisms are more cruel than supportive especially the verbal abuse from successful thriller novelist Slade Skinner. Born Sherman Francis Skinner uttered with condescension as he pumps a dumbbell up and down. When Slade is found face down on his keyboard with the bloody dumbbell beside him no one seems surprised by the poetic justice. After all writing is murder. But Kate wants the real story on the killing before someone in the group plots the next chapter. **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31. Like other fictional characters female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live. Of course mystery readers do not share one simplistic world. They live in urban suburban and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor young or old conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999. This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979. It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008. **Bowker's Guide to Characters in Fiction 2007**, 2008-02. *Sequels* Janet G. Husband, Jonathan F. Husband, 2009. A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series. **Death on a Silver Tray** Rosemary Stevens, 2001. The first in a brilliant new historical mystery series set in Regency England featuring Beau Brummel a reluctant society sleuth. **Sins of Deception** Valerie Wilcox, 2000. Kellie is thrilled when her friends Paul and Sharon sign up for a trip with her brand new charter business. But the trip ends on a decidedly sour note when Paul is arrested for murder. Soon Kellie realizes there's a lot she doesn't know about Paul and his family and that this is one case she won't be able to sail through. **Death of a**

Hall Women's Studies Index** ,2000 **Till Death Do Us Part** Jill M. Morgan, Martin Harry Greenberg, 1999 From today s greatest bestselling mystery and suspense writers and their significant others come all new stories about that blood chilling bond between men and women Authors include Lawrence Sanders and Lynne Block Max Allan and Barbara Collins John and Rachel Jakes Joe and Karen Lansdale and many others Each couple s wedding photo is included with their story **Books in Print Supplement** ,2002 **The Publishers Weekly** ,2000
