A Paradise Lost in a Merciless Separation Dr. Marie BA(c)atrice Hyppolite,2022-08-05 This book is about an abrupt separation between an eight year old and her mother The story took place in Haiti during the time Duvalier was in power Haiti had known nearly thirty years of oppression under the dictatorship of the Duvaliers father and son Papa Doc created the Tonton Macoute a gestapo like police force to oppress the citizenry and make people do whatever his government wanted Anyone opposing the regime was a candidate for death Many people lost their wives husbands children properties and more to the Tonton Macoute Unfortunately that eight year old s mother was a casualty of this violence After the child witnessed her mother get arrested she was left with no help having lived with only her mother her entire life She did not know who her father was at that time One neighbor eventually came outside and took the child with her and from that moment the child s life was altered From her mother s paradise to a whole new system that child experienced hell The girl moved from one place to another even her biological father rejected her It was quite a journey but because of the type of child the girl was she did not allow struggles to bury her alive She learned how to double her strength and be resilient She let God enter her life and with him

she embraced life with grace determination focus courage and fidelity No one in this entire world is more resilient than her She faced all the problems in her life with courage dignity and strength Though life was unfair to her she never gave up She let nothing in life break her Instead she used misfortune to be strong and fight all the battles that life brought her way That girl understood that success was not a gift one must work hard for it at the cost of pain discipline and perseverance She took all the opportunities she had and turned them into something positive Despite all the challenges hatred misfortune and triviality she experienced she managed to become a successful respectful and independent woman ME Lucy,2017-04-30 Me is an autobiography of my life growing up in a cult my involvement in drugs prostitution and abuse and my way out

of life and my love for wonderful people beautiful animals and plants I realize that the meaning of my very existence is to protect them while we live in this beautiful and wonderful planet Finally it took a lifetime for me to find God and I have accepted that after life on earth I will be once again part of the Cosmos which it will always belong to the Creator These Broken Roads Donna Marie Hayes,2023-10-03 In this gripping and honest memoir Jamaican immigrant Donna Marie Hayes recounts how at the peak of her American success in New York City she is scammed and robbed of her life s savings by the love of her life met on an online dating site and how she vindicates herself to overcome a lifetime of bad choices Donna Hayes had fortitude and smarts She d already survived so much At the top of her game thriving in New York City no less her career was soaring on Wall Street and she was starring in her own one woman show off Broadway To be scammed by a man she had met on a dating app someone she thought she would marry shocked and shamed her This wasn t the way it was supposed to be In Jamaica as a child death had come for Hayes three times Each time she survived it and her beloved grandma reminded her that God had her back that she was destined for greatness Yet in the poverty and loneliness of her childhood it was hard to believe Every day she dreamed of going to America and joining her birth family never understanding why she had been left behind When she was 14 her mother finally sent for her Donna s elation was soon offset by the challenges of her new life From her mother s strict church to an early marriage single motherhood and a second disastrous and abusive marriage when Donna finally escaped she vowed to never again subject herself to relationships and people who harmed her And for the next eight years she kept that vow Then Hayes met the man of her dreams Javier De Leon on a dating website and they became inseparable Before long their love undeniable he proposed and tattooed her initials in large bold letters across his chest But 18 months and 177 000 later it all fell apart Hayes learned that she had been a target from the beginning the victim of a romance real estate scam perpetrated by a career criminal and ex con from The Bronx Suddenly her financial independence was at risk and so was her ability to trust herself This is the story of how that woman rose yet again to find her power making the scam and her choice of De Leon the last run along the broken roads of her past **Developing Destinies** Barbara Rogoff,2011-04-06 Developing Destinies is an engaging narrative of one remarkable person s life and the life of her community that blends psychology anthropology and history to reveal the integral role that culture plays in human development Autobiography Marcel Van,2006 The story of Servant of God Brother Marcel Van a Vietnamese Redemptorist brother who was profoundly influenced by St Therese of Lisieux and who during the the division of Vietnam chose to remain in the monastery at Hanoi where he was later arrested and sent to a North Vietnamese prison camp Back cover **The Veil** J. a. Alspach,2009 *McClure's Magazine* ,1911 **Forgotten Warriors** Eddie L. Kemp, Sr.,2021-12-16 Forgotten Warriors Living with PTSD By Eddie L Kemp Sr On May 16 1968 in North Vietnam Eddie L Kemp Sr a United States Marine was severely wounded by an artillery attack on his military base The U S Marine Corps notified his mother and family at their home in Texas that he had been killed in action Kemp woke up in what he now believes was the

morgue filled with beds of dead Marines under white sheets thinking he was the only survivor This Marine returned home with a severe loss of memory excruciating pains in his body and deep emotional scars affecting him throughout his life Like many veterans of the Vietnam War Kemp returned home from combat to find himself hated by the American people he had volunteered to protect defend and die for abandoned by the Federal Government or Veterans Administration who refused to treat him with the dignity and respect he had earned as an honorably discharged combat veteran and suffering with what he would learn decades later were severe symptoms of Post Traumatic Stress Disorder PTSD a condition that has resulted in the suicide of many of our war veterans at an alarming rate today Kemp candidly recalls numerous problems living with PTSD caused in his life He describes in detail the psychological and physical suffering he was forced to live alone with for years because he thought no one would understand or people would think he was insane However like the Marine he is Kemp fought the demons every day to live and is still fighting those same demons from hell today This Marine found the courage and strength to tell the suicidal voices of PTSD in his head that he would not become one of their victims After years of trying to make sense of what happened on that tragic day Kemp was connected with two pieces of the puzzle Exactly forty years after that ill fated day in May 1968 two Marines wounded in combat with him reunited with Kemp After weeks of talking to them the flashbacks experienced almost daily began to form complete pictures for him Finally he had someone else who truly understood what living in hell was all about You never know what tomorrow brings but Kemp hopes this book will help veterans and others living with PTSD find a way to cope fight and live another day With the support of those who found a way to love him in spite of today this Marine continues to battle the U S Department of Veterans Affairs for the dignity and respect earned as a United States Marine Realizing this is a major battle for many Kemp s message is especially for veterans struggling with this problem Choosing death should not be the final option Even when you have been made to feel worthless you are irreplaceable and of immeasurable value to those closest to you Kemp encourages you to continue the fight because somebody needs you to stay in the race Semper Fi
