The Twin Souls: Books 1 & 2 of the Eternity Series Holly Newhouse, 2014-11-23 A person can have many soul mates in a lifetime but each person has only one twin soul in each life This belief taught to me by my grandmother is one that has always filled me with wonder As a young child she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls The legend is as old as creation itself It is said that as the creator was making human

beings he was surrounded by souls to place in them The creator decided to take a single soul and split it in half creating twin souls He then took the two twin souls and touched them together as light as a butterfly s kiss The twin souls were then separated and placed respectively into man and woman The creator lightly touched them together so that when they meet one day they will recognize the other s soul as their twin This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever I am Sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother Shetawahki who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe **Don't Lick the Minivan** Leanne Shirliffe,2015-11-03 As a woman used to traveling and living the high life in Bangkok Leanne Shirliffe recognized the constant fodder for humor while pregnant with twins in Asia s sin city But in spite of deep fried bug cuisine and nurses who cover newborn bassinets with plastic wrap Shirliffe manages to keep her babies alive for a year with help from a Coca Cola deliveryman several waitresses and a bra factory Then she and her husband return home to the isolation of North American suburbia In Don t Lick the Minivan Shirliffe captures the bizarre aspects of parenting in her edgy honest voice She explores the hazards of everyday life with children such as The birthday party where neighborhood kids took home skin rashes from the second hand face paint she applied The time she discovered her twins carving their names into her minivan s paint with rocks The funeral she officiated for Stripper Barbie The horror of glitter And much more Shirliffe eventually realizes that even if she can t teach her kids how to tie their shoelaces she s a good enough mom At least good enough to start saving for her twins therapy fund And possibly her own Shirliffe s memoir might not replace a therapist but it is a lot cheaper
