Pledging Christine:

Pledging Christine Clay Waters, 2003-10 Christine Tarlington daughter of the college's largest donor is rushing the exclusive Lambda Gamma Chi sorority. Her hazing begins with a surprise visit from Brenda the sorority's sergeant at arms who drives Christine to the sorority's secluded mountain cabin for a very special hazing session. One Brenda aims to be short and deadly. Headstrong fellow pledge Melissa follows them and ends up saving Christine's life and the chase begins. Brenda and a trio of scary mountain folk hunt the pledges down the mountain through the college's underground tunnel system and into a haunted elevator shaft. Christine and Melissa must dodge both corrupt cops and sadistic sorority girls while searching for an answer to the question: Why does someone want Christine Tarlington dead? **Dead Pledges** Annie McClanahan, 2018-01-09

Dead Pledges is the first book to explore the ways that U.S. culture from novels and poems to photojournalism and horror movies has responded to the collapse of the financialized consumer credit economy in 2008. Connecting debt theory to questions of cultural form, this book argues that artists, filmmakers, and writers have reimagined what it means to owe and to own in a period when debt is what makes our economic lives possible. Encompassing both popular entertainment and avant-garde art, the post-crisis productions examined here help to map the landscape of contemporary debt from foreclosure to credit scoring, student debt to securitized risk, microeconomic theory to anti-eviction activism. A searing critique of the ideology of debt, **Dead Pledges** dismantles the discourse of moral obligation so often invoked to make us repay. Debt is no longer a source of economic credibility; it contends but a system of dispossession that threatens the basic fabric of social life.

Growing Pains Paris Love, 2012-02 *Growing Pains* is a story about best friends searching for true love. Kiki is a naive young lady who falls madly in love, but all is not as it seems. Myra has planned her entire life right down to the wedding ceremony, yet she struggles with finding Mr. Right. Darren wants to have his cake and eat it too until it blows up in his face. Through good times and bad, they try to stay afloat and ahead of the game. *Growing Pains* captures the innocence of the heart, the mind, body, and soul of friends who grow up searching for what we all desire: respect, loyalty, and most of all, love and companionship. *Under the Influence* Richard Uhl, 2012-10 When Roger Franklin is caught in the 1993 World Trade Center bombing and survives, he seizes the opportunity to disappear, relocate, and reinvent himself. It seems to be a better option than staying in New York where a horrifying accident two years before ruined his marriage and his life. Reinventing himself as Rex Franklin, he finds happiness and success in San Diego, California, where he remarries and enjoys a second career. Working for a political big shot definitely has its perks. Twenty years later, however, ghosts from his past reenter his life, turning his world upside down. The man responsible for the accident all those years ago is back, and his ex-wife has found out he's alive. Fighting to protect his family and save his business, he is forced to make choices that could very well destroy everything he's worked so hard to build. But if he doesn't do something fast, he might not have anything left to live for. Gritty and fast-paced, *Under the Influence* is an action-packed novel that speaks to the power of tragedy and redemption. *The Angelos of*
