Pocket New Testament Commentary William MacDonald, 1993-01-01 **The Annotated Paragraph Bible, Etc**, 1868 **Basis of Preaching Biblical Message: Preach the Word** Rev Dr Koningthung Ngoru Moyon, 2024-11-07

Public Speaking is one of the most important task and challenging to the human beings. It is imperative for all the committed Christians to learn and live with the Biblical truths. As such, the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will, but is not necessary for knowing that God exists or for knowing something about God's character and moral law.

Basis of Preaching Biblical Message: Preach the Word is for the glory of God, the building up of the church and society, and the spreading of the Gospel to the ends of the earth, that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational. Some are humorous while others use sound logic and well-reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead, learn from them and develop your own style as a good communicator.

Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book **Basis of Preaching Biblical Message: Preach the Word**. It is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However, the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit. This is the focus in the book.
