of the four biblical Gospels is essential. This fully updated textbook together with its workbook, video lectures, and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels. Luke's Literary Creativity Mogens Müller, Jesper Tang Nielsen, 2016-08-11. A combination of two classic discussions in New Testament scholarship, the contributions in this volume shed light on the still unsolved synoptic problem by using the well-coined concept of rewriting to describe the relationship between the synoptic gospels. The contributions work with the hypothesis that the synoptic tradition can be conceived of as a process of rewriting: Matthew rewrote Mark, and Luke rewrote Mark and Matthew. This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two-source theory. If it can be shown that Luke knew Matthew's Gospel, the Q hypothesis is superfluous. One group of articles focuses on the general question of Luke's literary relation to the other gospels. In these essays, the concept of rewriting describes Luke's use of his sources. The second part of the collection examines a number of texts in order to show how Luke rewrites specific passages. In the final section, the contributions concern Luke's relation to Roman authorities. It is shown that Luke's literary creativity is not limited to his predecessors in the gospel tradition. Rewriting is his literary strategy. **Jesus—The Portrait and Inscription of God** George Paki, If we want to understand what God was telling John about the future, we need to first understand what John understood. Professor Jon Paulien, Loma Linda University, USA. In *Jesus: The Portrait and Inscription of God*, the author pours his years of research into addressing the issue that Jon Paulien highlights. Paki builds an intriguing case for a dual-focused method of interpreting Revelation. He uses this method to show: i) that Revelation was written primarily to John and his initial audience; ii) that the same prophecies also speak to us with clarity and force; iii) Then he wonders if God intentionally used the same material to speak to an audience then and now. When this method is applied to Revelation 1:3, the text does come alive. Deep theological truths and nuggets extracted are way too many to recount in a single book. In fact, this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ. Some of our leading scholars agree. It is well-written, well-laid out, and has good, solid biblical insights. Good solid evidence for Revelation's high Christology. Dr. Kayle de Waal, Avondale College, Australia. I found it thoughtful, helpful, and interesting to read. The style of presentation is also very attractive. Professor Jon Paulien, Loma Linda University, USA. You have clearly shown the relationship between Revelation 1:3 with the rest of Revelation. Dr. Ross Cole, Avondale College, Australia. The method used, its interpretations, and the theological insights are corroborated by other Johannine books, the New Testament, the Old Testament, and the Spirit of Prophecy. This volume will enhance the libraries of academics and laypeople alike. Spirit, Scripture, and Theology, 2nd Edition Roger Stronstad, 2019-05-14. The Portrait of Philip in Acts F. Scott Spencer, 1997-01-01. Appraisals of early Christian leaders in Acts typically neglect or minimize the contribution of Philip the evangelist. This study establishes Philip's pivotal place in the overall structure of Luke-Acts, stressing the significance of his roles as the first missionary to the marginalized Samaritans and God-fearers of a charismatic prophet in

the tradition of Moses and Elijah and a versatile servant in both domestic diaconal and itinerant kerygmatic capacities This investigation utilizes close literary analysis of the Lukan narrative informed by social historical assessments of the ancient Mediterranean world to create a comprehensive multidimensional portrait of Philip in Acts *The Portraits of Jesus Christ in the New Testament* Henry Sloane Coffin,1925 **The Epistemological Basis for Belief according to John's Gospel** David A. Redelings,2011-09-23 This book a revision of the author s dissertation describes the grounds on which knowledge about God is possible according to the Gospel of John In response to modern questions and doubts about the possibility of religious knowledge John s answers are identified and illuminated using standard historical method A major part of this investigation is spent showing that for readers of all persuasions it is clear that certain parts of John s Gospel were never intended as either fiction or metaphor From these parts the basis on which John thinks that people can have religious knowledge is inferred and described The Branch Preston T. Massey,2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts **Proclamation from Prophecy and Pattern** Darrell L. Bock,1997-01-01 Luke is here presented as contributing to New Testament Christology through his treatment of Old Testament Christological texts This redaction critical study argues that Luke s use of the Old Testament is not so much a proof from prophecy as a proclamation that draws both upon prophecies and upon patterns This proclamation as it is developed in Luke Acts serves to turn the reader s attention from seeing Jesus as Messiah to seeing him eventually as Lord **The People's New Testament Commentary** M. Eugene Boring,Fred B. Craddock,2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible **Index to The Pulpit Commentary** Edward Mark Deems,1919 **Christ and Christianity: The picture of Jesus (the master)** Hugh Reginald Haweis,1886 A Simplified Harmony of the Gospels George W. Knight,2001 The four gospels woven into a single running narrative featured in HCSB translation **Four Portraits of**
