Radical Evangelism A New Look At An Old Commission:

Annotation ,1994 *A Quick Look at Christian History* George Kurian,2015-04-01 A few weeks after Easter AD 33 the entire church fit in one upstairs room In just decades it exploded into a worldwide movement What happened Follow the action with this collection of the highs and lows of the people of God Its twenty informative and fast paced chapters are arranged by centuries Each one begins with a summary of the most important statistics and influential Christians at that time In the rest of each chapter you ll find concise notes about the history of Christianity including its practices and beliefsdenominations and movementsinstitutions and traditionsevangelism and persecutionliterature art and architecture You can also use the helpful index to read topically rather than chronologically Follow the explosive spread of the gospel and discover your amazing heritage as a member of God s family **The Christian Leader** ,1929 Evangelism and Social Concern in the Theology of Carl F. H. Henry Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic *The Western Christian Advocate* ,1906 *Punishment and Control in Historical Perspective* H. Johnston,2008-10-24 Bringing together new research this book advances current theoretical understandings of punishment and control in society It provides a critical analysis of institutions punishment and the law and explores the delivery of punishment and experience of incarceration in Western societies from the early nineteenth century *The Presbyterian* ,1909 **Great Commission, Great Confusion, or Great Confession?** Lucas V. Woodford,2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the

communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same **Conformed to His Image, Revised Edition** Kenneth D. Boa, 2020-10-06 What does a real relationship with God look like What is the biblical vision of true spiritual life How do we grow in spiritual maturity How we answer these questions influences the health potency and witness of Christians in an increasingly complex and hostile world Conformed to His Image Revised Edition answers these questions with clarity and insight offering a comprehensive balanced and applicable guide to spiritual growth Designed for use in college and seminary courses but also highly appropriate for any serious Christian wanting to grow this revised edition helps readers build their lives on a fully biblical foundation It offers a corrective to our tendency to narrow and compartmentalize spiritual growth by exploring twelve facets of authentic Christian spirituality which include Relational Spirituality Loving God Completely Ourselves Correctly and Others Compassionately Paradigm Spirituality Cultivating an Eternal versus a Temporal Perspective Disciplined Spirituality Engaging in the Historical Disciplines Exchanged Life Spirituality Grasping Our True Identity in Christ Motivated Spirituality A Set of Biblical Incentives Devotional Spirituality Growing in Relationship with God Holistic Spirituality Every Component of Life under the Lordship of Christ Process Spirituality Process versus Product Being versus Doing Spirit Filled Spirituality Walking in the Power of the Spirit Warfare Spirituality The World the Flesh and the Devil Nurturing Spirituality A Lifestyle of Evangelism and Discipleship Corporate Spirituality Encouragement Accountability and Worship With chapter overviews and objectives questions for personal application a glossary a list of key terms and helpful appendices Conformed to His Image Revised Edition provides a defining text for the student pastor and church leader of today and tomorrow This revised edition includes new recommended resources throughout more recent examples of subjects discussed and updated wording to better reflect our postmodern context **Evangelicals at an Impasse** Robert K. Johnston, 2020-03-09 Biblical inspiration and interpretation in conflict Evangelicals assert that the Bible is the infallible source and sole authority for Christian beliefs and living This premise is currently under fire from social and cultural mores AND more importantly from differences of biblical interpretation Contradictory opinions have arisen on several issues What exactly does the Bible claim What is the rightful role of women in the church and at home How do Christians evaluate homosexuality is it always a sin What is the church's role in social ethics Evangelicals at an Impasse considers these burning issues and offers helpful guidelines Robert K Johnston seeks to bridge the gaps among the biblical writers the church fathers and contemporary humanity He offers an effective way for Christians and more specifically evangelicals to understand the Bible as it relates to theology tradition and culture Johnston considers the issues the facts surrounding them social practices the pros and cons on each question and provides striking insights in his conclusions conclusions NOT solutions Evangelicals and other Christians in fact anyone interested in religion in America will find this a fascinating and remarkable book Milk ,1928 **The Discipleship**
