**The Italian Difference** Lorenzo Chiesa,Alberto Toscano,2009 This volume brings together essays by different generations of Italian thinkers which address whether in affirmative problematizing or genealogical registers the entanglement of philosophical speculation and political proposition within recent Italian thought Nihilism and biopolitics two concepts that have played a very prominent role in theoretical discussions in Italy serve as the thematic foci around which the collection orbits as it seeks to define the historical and geographical particularity of these notions as well their continuing impact on an international debate The volume also covers the debate around OCyweak thoughtOCO pensiero debole the feminist thinking of sexual difference the re emergence of political anthropology and the question of communism The contributors provide contrasting narratives of the development of post war Italian thought and trace paths out of the theoretical and political impasses of the presentOCOagainst what Negri in the text from which the volume takes its name calls OCythe Italian desertOCO

**The Autonomous City** Alexander Vasudevan,2023-01-03 A radical history of squatting and the struggle for the right to remake the city The Autonomous City is the first popular history of squatting as practised in Europe and North America Alex Vasudevan retraces the struggle for housing in Amsterdam Berlin Copenhagen Detroit Hamburg London Madrid Milan New York and Vancouver He looks at the organisation of alternative forms of housing from Copenhagen s Freetown Christiana to the squats of the Lower East Side as well as the official response including the recent criminalisation of squatting the brutal eviction of squatters and their widespread vilification Pictured as a way to reimagine and reclaim the city squatting offers an alternative to housing insecurity oppressive property speculation and the negative effects of urban regeneration We must more than ever reanimate and remake the urban environment as a site of radical social transformation

**Commodity Activism** Roopali Mukherjee,Sarah Banet-Weiser,2012-02 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity

**The SAGE Handbook of Neoliberalism** Damien Cahill,Melinda Cooper,Martijn Konings,David

Primrose,2018-02-26 Over the last two decades neoliberalism has emerged as a key concept within a range of social science disciplines including sociology political science human geography anthropology political economy and cultural studies The SAGE Handbook of Neoliberalism showcases the cutting edge of contemporary scholarship in this field by bringing together a team of global experts Across seven key sections the handbook explores the different ways in which neoliberalism has been understood and the key questions about the nature of neoliberalism Part 1 Perspectives Part 2 Sources Part 3 Variations and Diffusions Part 4 The State Part 5 Social and Economic Restructuring Part 6 Cultural Dimensions Part 7 Neoliberalism and Beyond This handbook is the key reference text for scholars and graduate students engaged in the growing field of neoliberalism     Underground Passages Jesse Cohn,2015-01-26 An exhaustive study of the richly textured resistance culture anarchists create to sustain their ideals and identities amid everyday lives defined by capital and the state a culture prefiguring a post revolutionary world and allowing an escape from domination even while enmeshed in it Whether discussing famous artists like Kenneth Rexroth John Cage and Diane DiPrima or relatively unknown anarchist writers Jesse Cohn clearly links aesthetic dynamics to political and economic ones This is cultural criticism at its best Jesse Cohn is the author of Anarchism and the Crisis of Representation Hermeneutics Aesthetics Politics and an associate professor of English at Purdue University North Central in Indiana     **Crisis States: Governance, Resistance & Precarious Capitalism** Jeff Shantz,2016 This is an age of crisis economic political environmental and social Yet the nature of contemporary crisis is often misunderstood Crisis rather than being accidental or episodic as is too often assumed has been a regular feature of state practice in the neoliberal austerity regimes of contemporary capitalism In this timely work Jeff Shantz gives special attention to the particular manufactured crises associated with austerity regimes and conditions of precarity within contemporary capitalism and how Crisis States differ from other forms of state practice Crisis is a powerful weapon of states and capital in the pursuit of accumulation exploitation and control Engaging insights from anarchism and autonomous Marxism Shantz lays bare the real nature and character of crisis as political and social pursuits of state and capital under precarious capitalism Attention is also given to social resistance under crisis state conditions Contemporary capitalism renders the oppressed and exploited precarious at the same time as opportunities are opened to render the system itself precarious Understanding Crisis States and precarious capitalism is crucial in considering prospects for resistance     **The Power of Maybes** Betti Marenko,2025-08-21 In a world of endless predictions and precision algorithms The Power of Maybes offers a daring new way forward What if uncertainty isn't a problem to solve but a gift This book reclaims hesitation ambiguity and not knowing as powerful tools to resist the rigid control of digital systems The Power of Maybes explores the radical idea that embracing uncertainty is essential in our age of planetary computation Where machines seek to lock down knowledge capture potential dictate futures and foreclose possibilities The Power of Maybes argues for the cultivation of doubt ambiguity and un knowing as forms of resistance By reframing the unknown as a powerful resource The Power of Maybes presents a bold approach to

living and thinking alongside machines without surrendering to their grip Blending philosophy design and critical tech studies *The Power of Maybes* challenges dystopian fears and utopian hopes about technology and champions new ways of being open ungridded unscaled It s a call to cultivate the unknown and nurture potential For those ready to reclaim their agency in an algorithmic age this book is a guide to living with oceanic uncertainty and finding power in it [The Long 1968](#) Daniel J. Sherman,Ruud van Dijk,Jasmine Alinder,A. Aneesh,2013-07-16 Delving into a tumultuous year s impact on art culture and politics this book illuminates the often overlooked histories of 1968 *The Journal of American History* From the mid 1960s to the early 1970s revolutions in theory politics and cultural experimentation swept around the world These changes had as great a transformative impact on the right as on the left A touchstone for activists artists and theorists of all stripes the year 1968 has taken on new significance for the present moment which bears certain uncanny resemblances to that time *The Long 1968* explores the wide ranging impact of the year and its aftermath in politics theory the arts and international relations and its uses today [Rhetoric for Radicals](#) Jason Del Gandio,2008-11-01 *Rhetoric for Radicals* is intended for college aged activists and organizers and for the most part it s written in a relaxed approachable style It does get a bit cerebral and academic in places in demonstrating how the book builds on the previous literature but this material is kept to a minimum On the whole *Rhetoric for Radicals* is an invaluable comprehensive how to book that will greatly benefit beginning and seasoned rhetors alike *Rhetoric for Radicals* concludes on a hopeful note with the wish that its activist readership will internalize the book s rhetorical tools and tactics and will be that much better equipped to become the rhetors of the past who created the future And indeed there can be but little doubt tht this thorough well organized accessible and even personal little handbook is the best instrument imaginable for fulfilling this purpose Frank Kaminski *EnergyBulletin.net* Radicals have important messages to deliver but they are often so caught up in the passion of their causes that they lose sight of effective communication which is their most powerful tool The ability to speak with clarity and intelligence without underestimating the challenge of breaking new ground and winning new converts is crucial Activists often suffer from a credibility gap because of their lack of a coherent message and strategic delivery *Rhetoric for Radicals* addresses and helps solve these problems It provides the tools to develop the all important communication skills necessary to be effectively heard If you accept that communication creates the social world then you will agree that changing the way we communicate can change the world *Rhetoric for Radicals* provides practical guidelines for public speaking writing conversation persuasion political correctness propaganda analysis street theatrics and new languages Chapters include *Streets Rhetoric and Revolution A Call for Rhetorical Action Skills for the Multitude The Power of Language Body Rhetoric Twenty First Century Radical Rhetoric* Geared to college aged radical activists and organizers this book will also appeal to activists of any age who want to sharpen their message Jason Del Gandio is a lecturer at Temple University in Philadelphia He is a post Seattle activist who has worked on globalization and free fair trade issues anti war campaigns and Latin

American solidarity      **Global Perspectives on Critical Architecture** Gevork Hartoonian, 2016-03-03 Judging from the debates taking place in both education and practice it appears that architecture is deeply in crisis New design and production techniques together with the globalization of capital and even skilled labour have reduced architecture to a commodified object its aesthetic qualities tapping into the current pervasive desire for the spectacular These developments have changed the architect's role in the design and production processes of architecture Moreover critical architectural theories including those of Breton Heidegger and Benjamin which explored the concepts of technology modernism labour and capital and how technology informed the cultural along with later theories from the 1960s which focused more on the architect's theorization of his/her own design strategies seem increasingly irrelevant In an age of digital reproduction and commodification these theoretical approaches need to be reassessed Bringing together essays and interviews from leading scholars such as Kenneth Frampton Peggy Deamer Bernard Tschumi Donald Kunze and Marco Biraghi this volume investigates and critically addresses various dimensions of the present crisis of architecture It poses questions such as Is architecture a conservative cultural product servicing a given producer-consumer system Should architecture's affiliative ties with capitalism be subjected to a measure of criticism that can be expanded to the entirety of the cultural realm Is architecture's infusion into the cultural the reason for the visibility of architecture today What room does the city leave for architecture beyond the present delirium of spectacle Should the thematic of various New Left criticisms of capitalism be taken as the premise of architectural criticism Or alternatively putting the notion of criticality aside is it enough to confine criticism to the production of insightful and pleasurable texts      **Ambiguities of Activism** Ingrid M. Hoofd, 2012 When the keyboard player for the Cinnamon Roll Six jazz band is murdered after a tour bus accident on the way to Lake Eden Minnesota Hannah Swensen investigates and comes up with several local suspects      The Work and the Gift Scott Cutler Shershow, 2005-06-15 Considers how in a wide range of western culture and thought the ideas of working and giving remain locked in a fatal dilemma each one representing the other's aspirations and absolute limit Ranging from Marx and Derrida to Friedrich Hayek and Alvin Toffler Scott Cutler Shershow here explores the predictions of political thinkers on both the left and the right that work is fundamentally changing or even disappearing the debates among anthropologists and historians about an archaic gift economy that preceded capitalism and might reemerge in its wake contemporary political battles over charity and social welfare and attempts by modern and postmodern artists to destabilize the work of art as we know it

BOOKJACKET      *Contemporary Political Agency* Bice Maiguashca, Raffaele Marchetti, 2013-08-21 This book explores and critically reflects on the theory and practice of political agency in contemporary global politics In light of the changing relationship between the state the market and the society it seeks to map both theoretically and empirically contemporary forms of global political agency This book reflects on the theory and practice of political agency in contemporary global politics More specifically it empirically analyses a range of different forms of political agency and explores their significance

for understanding and enacting global politics Reflecting the efforts of scholars from a variety of disciplines from political theory and Sociology to Geography and International Relations it brings into conversation a wide spectrum of theoretical approaches including Marxism feminism post structuralism and historical institutionalism The contributors compare a range of forms of political agency exploring their significance for the theory and practice of global politics and reflect on the tensions and synergies generated by recent efforts to conceptualise them Demonstrating an innovative and interdisciplinary approach Contemporary Political Agency will be of interest to students and scholars of international relations sociology political economy and political theory

*Arte Programmata* Lindsay Caplan, 2022-10-25 Tracing the evolution of the Italian avant garde s pioneering experiments with art and technology and their subversion of freedom and control In postwar Italy a group of visionary artists used emergent computer technologies as both tools of artistic production and a means to reconceptualize the dynamic interrelation between individual freedom and collectivity Working contrary to assumptions that the rigid structural nature of programming limits subjectivity this book traces the multifaceted practices of these groundbreaking artists and their conviction that technology could provide the conditions for a liberated social life Situating their developments within the context of the Cold War and the ensuing crisis among the Italian left *Arte Programmata* describes how Italy s distinctive political climate fueled the group s engagement with computers cybernetics and information theory Creating a broad range of immersive environments kinetic sculptures domestic home goods and other multimedia art and design works artists such as Bruno Munari Enzo Mari and others looked to the conceptual frameworks provided by this new technology to envision a way out of the ideological impasses of the age Showcasing the ingenuity of Italy s earliest computer based art this study highlights its distinguishing characteristics while also exploring concurrent developments across the globe Centered on the relationships between art technology and politics *Arte Programmata* considers an important antecedent to the digital age

*Educational Commons in Theory and Practice* Alexander J. Means, Derek R. Ford, Graham B. Slater, 2017-02-27 In this volume critical scholars and educational activists explore the intricate dynamics between the enclosure of global commons and radical visions of a common social future that breaks through the logics of privatization ecological degradation and dehumanizing social hierarchies in education In its institutional and informal configurations alike education has been identified as perhaps the key stake in this struggle Insisting on the urgency of an education that breaks free of the bonds of enclosure the essays included in this volume weave together bright threads of radical thought into a vivid tapestry illustrating a critical framework for enacting a global educational commons

Radical Thought In Italy A Potential Politics: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Radical Thought In Italy A Potential Politics : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
