Radical Whigs And Conspiratorial Politics In Late Stuart England

Sarah C. E. Ross, Paul Salzman

Radical Whigs And Conspiratorial Politics In Late Stuart England:

Radical Whigs and Conspiratorial Politics in Late Stuart England Melinda S. Zook, 2008-01 In this book Melinda Zook examines the political culture of England during the 1670s and 1680s. She singles out an underground network of radical conspirators and propagandists who have been virtually ignored by historians. These men and some women were working to ensure a Protestant succession of the monarchy. In the course of their struggles with the government, their ideas became ever more radical and their tactics all the more violent. Their ideas reached an increasingly sympathetic and receptive audience, preparing the way for the Glorious Revolution of 1688. Scholars of political history have traditionally associated the creation of liberal political thought with the elite genesis of John Locke and the triumphant bloodless glorious Revolution of 1688. *Radical Whigs and Conspiratorial Politics in Late Stuart England* brings to life the true creators and disseminators of a liberal ideology based on contract and consent. Zook offers convincing biographical sketches of five popular polemicists whose ideas and actions influenced the goals of the Rye House conspirators in 1683, the Monmouth rebels in 1685, and Revolutionaries in 1688-89. She argues that liberalism was not forged in the philosopher's study in the peaceful country manor but in noisy London taverns and coffeehouses, street corners and rented rooms to be defended on the scaffold and battlefield.

Conspiracies and Conspiracy Theory in Early Modern Europe Barry Coward, Julian Swann, 2017-07-05 For many generations Guy Fawkes and his gunpowder plot, the Man in the Iron Mask and the Devils of Loudun have offered some of the most compelling images of the early modern period. Conspiracies, real or imagined, were an essential feature of early modern life, offering a seemingly rational and convincing explanation for patterns of political and social behaviour. This volume examines conspiracies and conspiracy theory from a broad historical and interdisciplinary perspective by combining the theoretical approach of the history of ideas with specific examples from the period. Each contribution addresses a number of common themes, such as the popularity of conspiracy theory as a mode of explanation through a series of original case studies. Individual chapters examine, for example, why witches, religious minorities and other groups were perceived in conspiratorial terms and how far, if at all, these attitudes were challenged or redefined by the Enlightenment. Cultural influences on conspiracy theory are also discussed, particularly in those chapters dealing with the relationship between literature and politics. As prevailing notions of royal sovereignty equated open opposition with treason, almost any political activity had to be clandestine in nature and conspiracy theory was central to interpretations of early modern politics. Factions and cabals abounded in European courts as a result, and their actions were frequently interpreted in conspiratorial terms. By the late eighteenth century, it seemed as if this had begun to change, and in Britain, in particular, the notion of a loyal opposition had begun to take shape. Yet the outbreak of the French Revolution was frequently explained in conspiratorial terms, and subsequently European rulers and their subjects remained obsessed with conspiracies, both real and imagined. This volume helps us to understand why

Challenging Orthodoxies: The Social and Cultural Worlds of Early Modern

Women Melinda S. Zook, 2016-04-15 Offering a broad and eclectic approach to the experience and activities of early modern women *Challenging Orthodoxies* presents new research from a group of leading voices in their respective fields Each essay confronts some received wisdom truth or orthodoxy in social and cultural scientific and intellectual and political and legal traditions to demonstrate how women from a range of social classes could challenge the conventional thinking of their time as well as the ways in which they have been traditionally portrayed by scholars Subjects include women s relationship to guns and gunpowder the law and legal discourse religion public finances and the new science in early modern Europe as well as women and indentured servitude in the New World A testament to the pioneering work of Hilda L Smith this collection makes a valuable contribution to scholarship in women s studies political science history religion and literature

The Glorious Revolution and the Continuity of Law Richard S. Kay, 2014-11-10 The Glorious Revolution and the Continuity of Law explores the relationship between law and revolution Revolt armed or not is often viewed as the overthrow of legitimate rulers Historical experience however shows that revolutions are frequently accompanied by the invocation rather than the repudiation of law No example is clearer than that of the Glorious Revolution of 1688-89 At that time the unpopular but lawful Catholic king James II lost his throne and was replaced by his Protestant son in law and daughter William of Orange and Mary with James s attempt to recapture the throne thwarted at the Battle of the Boyne in Ireland The revolutionaries had to negotiate two contradictory but intensely held convictions The first was that the essential role of law in defining and regulating the activity of the state must be maintained The second was that constitutional arrangements to limit the unilateral authority of the monarch and preserve an indispensable role for the houses of parliament in public decision making had to be established In the circumstances of 1688-89 the revolutionaries could not be faithful to the second without betraying the first Their attempts to reconcile these conflicting objectives involved the frequent employment of legal rhetoric to justify their actions In so doing they necessarily used the word law in different ways It could denote the specific rules of positive law it could simply express devotion to the large political and social values that underlay the legal system or it could do something in between In 1688-89 it meant all those things to different participants at different times This study adds a new dimension to the literature of the Glorious Revolution by describing analyzing and elaborating this central paradox the revolutionaries tried to break the rules of the constitution and at the same time be true to them

Prophecy and Eschatology in the Transatlantic World, 1550–1800 Andrew Crome, 2016-09-22 Prophecy and millennial speculation are often seen as having played a key role in early European engagements with the new world from Columbus s use of the predictions of Joachim of Fiore to the puritan Errand into the Wilderness Yet examinations of such ideas have sometimes presumed an overly simplistic application of these beliefs in the lives of those who held to them This book explores the way in which prophecy and eschatological ideas influenced poets politicians theologians and ordinary people in the Atlantic world from the sixteenth to the late eighteenth century Chapters cover topics ranging from messianic claimants to the Portuguese

crown to popular prophetic almanacs in eighteenth century New England from eschatological ideas in the poetry of George Herbert and Anne Bradstreet to the prophetic speculation surrounding the Evangelical revivals It highlights the ways in which prophecy and eschatology played a key role in the early modern Atlantic world **T&T Clark Handbook of John Owen**, 2022-04-21 Evaluating the writings of one of the most significant religious figures in early modern England this volume summarizes Owen s life explores his various intellectual literary and political contexts and considers his roles as a preacher administrator polemicist and theologian It explores the importance of Owen reviews the state of scholarship and suggests new avenues for research The first part of the volume offers brand new assessments of Owen s intellectual formation pastoral ministry educational reform at Oxford political connections in the Cromwellian revolution support of nonconformity during the Restoration interaction with the scientific revolution and understanding of philosophy The second part of the volume considers Owen s prolific literary output A cross section of well known and frequently neglected works are reviewed and situated in their historical and theological contexts The volume concludes by evaluating ways that Owen scholarship can benefit historians theologians biblical scholars ministers and Christian readers John Locke, Toleration and Early Enlightenment Culture John Marshall, 2006-03-30 Major intellectual and cultural history of intolerance and toleration in early modern Enlightenment Europe **Factionalism and Dissent in an English City** Danae Tankard, 2025-02-25 This book is about the political and religious controversies that beset the small English city of Chichester between 1678 and 1685 which intersected with wider political turbulence at the heart of government and in the nation at large This period of seventeenth century English history has been overshadowed by the more dramatic events of the English Civil War and the Glorious Revolution but these years were marked by repeated political crises assassination plots religious persecution and fears of a new civil war Telling this story through the lives of the inhabitants of one city offers an intimate view of how these events played out in a particular locality As much a work of social history as it is of political history this book has the lives of individual men and women at its core The story that unfolds includes a strong cast of characters and has multiple points of high drama it is the individuals and the events they were caught up in that propel the narrative forwards **Factionalism and Dissent in an English City** makes a significant contribution to the historiography of late Restoration England Its plot and character driven narrative structure also makes the book accessible to a non specialist reader who wants to find out what it might have been like to live through these challenging years *Fear, Exclusion and Revolution* Jason McElligott, 2016-12-05 Between the years 1677 and 1691 the Puritan minister Roger Morrice compiled an astonishingly detailed record of public affairs in Britain Running to almost a million words his *Entring Book* provides a unique record of late seventeenth century political and religious history It charts the rise of British party politics and the transformation of Puritanism into Whiggery and Dissent It provides a wealth of information on social and cultural history as well as the relationships between the three Stuart kingdoms All the essays in this volume have been inspired by the key

concerns of the Entering Book the palpable sense of the fear and foreboding in the 1680s the long shadow cast by the mid century civil war the profound effect on Englishmen of events on the continent and the anxieties and opportunities caused by a socially diffuse culture of news and information In so doing they give a vivid sense of what it was like to live in England in the years before the Revolution and help to explain why that Revolution took place when it did and why it took the particular form that it did These chapters provide fresh and insightful perspectives on religion politics and culture from established and emerging scholars on three continents Taken together they offer a valuable introduction to the world of Roger Morrice and will be an essential companion to the scholarly edition of the Entering Book

The Postsecular Restoration and the Making of Literary Conservatism Corrinne Harol, 2022-12-22 Corrinne Harol reveals how secularization catalysed conservative writers to respond and thereby contribute impactfully to literary history

A Race Of Female Patriots Brett Wilson, 2012 A Race of Female Patriots is a study of tragic drama after the Glorious Revolution of 1688 that yields new insight into women's involvement in the public sphere and the political and aesthetic significance of feeling

Mediating Cultural Memory in Britain and Ireland Leith Davis, 2022-03-17 Mediating Cultural Memory is the first book to analyze the relationship between cultural memory national identity and the changing media ecology in early eighteenth century Britain Leith Davis focuses on five pivotal episodes in the histories of England Scotland and Ireland the 1688 Glorious Revolution the War of the Two Kings in Ireland 1688-91 the Scottish colonial enterprise in Darien 1695-1700 the 1715 Jacobite Rising and the 1745 Jacobite Rising She explores the initial inscription of these episodes in forms such as ballads official documents manuscript newsletters correspondence newspapers and popular histories and examines how counter memories of these events continued to circulate in later mediations Bringing together Memory Studies Book History and British Studies Mediating Cultural Memory offers a new interpretation of the early eighteenth century as a crucial stage in the development of cultural memory and illuminates the processes of remembrance and forgetting that have shaped the nation of Britain

Poetry and Allegiance in the English Civil Wars Nicholas McDowell, 2008-11-20 This book is about the things which could unite rather than divide poets during the English Civil Wars friendship patronage relations literary admiration and anti clericalism The central figure is Andrew Marvell renowned for his ambivalent allegiance in the late 1640s Little is known about Marvell's associations in this period when many of his best known lyrics were composed The London literary circle which formed in 1647 under the patronage of the wealthy royalist Thomas Stanley included Cavalier friends of Marvell such as Richard Lovelace but also John Hall a Parliamentary propagandist inspired by reading Milton Marvell is placed in the context of Stanley's impressive circle of friends and their efforts to develop English lyric capability in the absence of traditional court patronage By recovering the cultural values that were shared by Marvell and the like minded men with whom he moved in the literary circles of post war London we are more likely to find the reasons for their decisions about political allegiance By focusing on a circle of friends and associates we can also get a sense of how they communicated

with and influenced one another through their verse There are innovative readings of Milton's sonnets and Lovelace's lyric verse while new light is shed on the origins and audience not only of Marvell's early political poems including the Horatian Ode but lyrics such as To His Coy Mistress **Marriage in Seventeenth-Century English Political Thought** Belinda Roberts Peters, 2004-09-08 This study traces the decline of marriage as a metaphor for political authority subjection and tyranny in Seventeenth century political thought An image that bound consent and contract with divine right absolutism and irrevocably connected royal prerogatives with subjects liberties its disappearance in the middle decades of the century coincided with the full emergence of patriarchalist and social contract theories If both these accepted the importance of fathers of families neither would suggest that political government could be comparable to marriage *Revolution by Degrees* J. Rudolph, 2002-09-13 This book examines the Whig theory of resistance that emerged from the Revolution of 1688 in England and presents an important challenge to the received opinion of Whig thought as confused and as inferior to the revolutionary principles set forth by John Locke While a wealth of Whig literature is analyzed Rudolph focuses upon the work of James Tyrrell presenting the first full length study of this seminal Whig theorist and friend and colleague of John Locke This book provides a compelling argument for the importance of Whig political thought for the history of liberalism

Constitutional Ratification Without Reason Jeffrey A. Lenowitz, 2022 This volume analyses constitutional ratification procedures examines their nature origins history and especially the potential justifications for their use The author offers a comprehensive demonstration of how constitution making recommendations can be evaluated and tested from a normative and theoretical perspective **The Cambridge Companion to Aphra Behn** Derek Hughes, Janet Todd, 2004-11-25 Traditionally known as the first professional woman writer in English Aphra Behn has now emerged as one of the major figures of the Restoration She provided more plays for the stage than any other author and greatly influenced the development of the novel with her ground breaking fiction especially Love Letters between a Nobleman and his Sister and Oroonoko the first English novel set in America Behn's work straddles the genres beside drama and fiction she also excelled in poetry and she made several important translations from French libertine and scientific works This Companion discusses and introduces her writings in all these fields and provides the critical tools with which to judge their aesthetic and historical importance It also includes a full bibliography a detailed chronology and a description of the known facts of her life The Companion will be an essential tool for the study of this increasingly important writer and thinker Mary Astell William Kolbrener, 2016-05-13 Mary Astell Reason Gender Faith includes essays from diverse disciplinary perspectives to consider the full range of Astell's political theological philosophical and poetic writings The volume does not eschew the more traditional scholarly interest in Astell's concerns about gender rather it reveals how Astell's works require attention not only for their role in the development of early modern feminism but also for their interventions on subjects ranging from political authority to educational theory from individual agency to divine service and from Cartesian ethics to Lockean epistemology

Given the vast breadth of her writings her active role within early modern political and theological debates and the sophisticated complexity of her prose Astell has few parallels among her contemporaries Mary Astell *Reason Gender Faith* bestows upon Astell the attention which she deserves not merely as a proto feminist but as a major figure of the early modern period *Collective Understanding, Radicalism, and Literary History, 1645-1742* Melissa Mowry, 2021 Explores the ways in which the non elite literary culture of the late seventeenth to mid eighteenth centuries worked to produce knowledge through collaborative means in opposition to this period's more widely recognized focus on the authority of individuality

Editing Early Modern Women Sarah C. E. Ross, Paul Salzman, 2016-07-21 This collection of new essays is a comprehensive exploration of the theoretical and practical issues surrounding the editing of texts by early modern women The chapters consider the latest developments in the field and address a wide range of topics including the ideologies of editing genre and gender feminism editing for student or general readers print publishing and new and possible future developments in editing early modern writing including digital publishing The works of writers such as Queen Elizabeth I Mary Wroth Anne Halkett Katherine Philips and Katherine Austen are examined and the issues discussed are related to the ways editing in general has evolved in recent years This book offers readers an original overview of the central issues in this growing field and will interest students and scholars of early modern literature and drama textual studies the history of editing gender studies and book history

Radical Whigs And Conspiratorial Politics In Late Stuart England Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Whigs And Conspiratorial Politics In Late Stuart England has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Whigs And Conspiratorial Politics In Late Stuart England has opened up a world of possibilities. Downloading Radical Whigs And Conspiratorial Politics In Late Stuart England provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Whigs And Conspiratorial Politics In Late Stuart England has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Whigs And Conspiratorial Politics In Late Stuart England. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Whigs And Conspiratorial Politics In Late Stuart England. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical Whigs And Conspiratorial Politics In Late Stuart England, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Whigs And Conspiratorial Politics In Late Stuart England has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical Whigs And Conspiratorial Politics In Late Stuart England Books

1. Where can I buy Radical Whigs And Conspiratorial Politics In Late Stuart England books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Radical Whigs And Conspiratorial Politics In Late Stuart England book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
