Radio Happy Isles Media And Politics At Play In The Pacific:

Radio Happy Isles Robert Seward, 1999-01-01 This is Radio Happy Isles Ko e ui e ni a e otu felenite This is Radio Sunshine Traveling throughout the Pacific over a period of six years Robert Seward listened to radio wherever he went From the Solomon Islands to Vanuatu to Fiji to Tonga to Hawai i he tuned in and listened He recorded broadcasts he sat in radio stations and newsrooms he met the people who ran them and he talked to folks who listened The result is Radio Happy Isles a highly readable insightful and unexpected look at the mediascape of the Pacific What Seward discovered is surprising in an era of satellite downloads and globe circling communication empires radio the forgotten medium is alive and well in the Pacific Subject to political pressures and calls for privatization its role is in constant evolution But one thing is clear the media rules of metropolitan dominance have not played out according to script here Media in the Pacific has been active not passive in shaping its own local narratives Full of anecdotes and engagingly written Radio Happy Isles introduces us to an unmistakable voice one that is varied and distinct and far from being drowned out by the noises coming from the metropolitan world

Tonga Martin Daly, 2009-02-04 Praise for the first edition Tonga is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly s work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom Bulletin of the School of Oriental and African Studies The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly s comments on the different publications I hope the rumor of a second revised edition of this bibliography is true Journal of the Polynesian Society Tonga is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom s history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands

South Pacific Islands

Communication Evangelia Papoutsaki,2008 Bringing together scholarly contributions on communications issues across the South Pacific islands this work aims to create a better understanding of what affects information flow and communication in smaller nations and how these impact on national development governance and the creation of more cohesive societies

South Pacific Handbook David Stanley,2000 Provides historical and travel information for visitors to Polynesia and Melanesia including Cook Islands Samoa Fiji Islands New Caledonia and Solomon Islands Radio Fields Lucas Bessire,Daniel Fisher,2012-11-19 Radio is the most widespread electronic medium in the world today As a form of technology that is both durable and relatively cheap radio remains central to the everyday lives of billions of people around the globe It is used as a call for prayer in Argentina and Appalachia to organize political protest in Mexico and Libya and for wartime communication in Iraq and Afghanistan In urban centers it is played constantly in shopping malls waiting rooms and classrooms Yet despite its omnipresence it remains the media form least studied by anthropologists Radio Fields employs ethnographic methods to reveal the diverse domains in which radio is imagined deployed and understood Drawing on research from six continents the volume demonstrates how the particular capacities and practices of radio provide singular insight into diverse social worlds ranging from aboriginal Australia to urban Zambia Together the contributors address how radio creates distinct possibilities for rethinking such fundamental concepts as culture communication community and collective agency

Encyclopedia of Radio 3-Volume Set Christopher H. Sterling,2004-03-01 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **Moon**
