All-channel Radio Receivers United States. Congress. Senate. Committee on Commerce. Subcommittee on Communications, 1974 High Wire Act Caroline Van Hasselt, 2010-03-17 There has possibly never been a more daring business figure in Canada's history than Ted Rogers Hailed by some as a visionary with an incomparable insight and equally loathed by others as a ruthless opportunist Ted Rogers relentlessly conquered his rivals in three industries radio cable television and cellular telephony High Wire Act is an unprecedented in depth analysis into how Ted Rogers driven by the psychological need to restore his family's name leveraged his stake in a small Toronto FM radio station and propelled it into a media and telecommunications behemoth worth over 23 billion The many topics covered in the book include details on

Rogers Unmatched ability to foresee the convergence of cable and telephony before anyone else did Insatiable appetite for debt and risk taking and how he bet his company three times to carry out his vision Shrewd political and regulatory maneuvers that always kept him one step ahead of his competitors and political adversaries such as Bell and the Aspers Opportunistic acquisition of the Toronto Blue Jays High Wire Act is a fascinating and one of a kind look into one of Canada s most audacious and visionary business figures of the past fifty years Every Canadian business reader will be enthralled by this enduring success story of Canada s only true telecommunications mogul *U.S.-Canadian Defense Industrial Cooperation* Kristina Obecný, Gregory Sanders, 2017-07-17 This study evaluates the health of the U S Canadian defense industrial relationship which is critically important as the U S Department of Defense expands the national technology and industrial base The CSIS study team gathered and analyzed a wide range of quantitative data and conducted interviews with government and industry officials involved with bilateral cooperation on both sides of the border In addition to looking at top level history legislation policy and trends the study team undertook five sectoral case studies highlighting different aspects of the benefits from and challenges facing bilateral cooperation The study finds that the benefits to both partners exceed what either could obtain solely by relying only on its own national resources While the overall U S Canadian defense industrial relationship remains sound the study team identifies a range of recommendations to enhance its value to both partners

Subcommittee on Communications and Power, 1974 *Radio Broadcast*, 1928 **Canada's Coca-Cola** Douglas Hunter, 2017-06-20 A lavishly illustrated celebration of Coca Cola s 120 years in Canada Coca Cola has been refreshing Canadians for 120 years But the relationship goes much deeper than that Canada makes as well as drinks Coca Cola beverages in huge quantities The first batch of iconic bottles to be made in Canada came off a production line at 65 Bellwoods Avenue in Toronto in 1907 Today Coca Cola employs thousands of Canadians in all ten provinces in production plants in sales distribution and of course on the farms that produce the ingredients required by that legendary secret recipe Coca Cola has also made significant contributions to Canadian sports and culture too by way of sponsorship and in return Canada will be forever in the company s debt for demonstrating that Coke goes down very well in cold weather too transforming the marketing of Coke from a summer thirst quencher to a drink for all seasons Douglas Hunter chronicles this association with a born storyteller s verve and historian s eye for the telling detail And for this project Coca Cola Canada has granted full access to its extraordinary archive of photographs and graphic art The spectacular selection in this book serve as both a window into the history of Canada in its sesquicentennial year and a celebration of the company that has been a key partner in our national project for 120 of those 150 years *Hi Fi/stereo Review*, 1961 *Radio*, 1926 *Foreign Commerce Weekly*, 1962 **Western Music & Radio Trades Journal**, 1929 **Foreign Commerce Weekly** United States.
