R. Holmes and Co John Kendrick Bangs, 2018-08-29 Shelves humor pastiche Raffles Holmes Company is a unique book as it is a pastiche based on two different legendary characters created by two equally legendary writers In this collection of short stories with traces of humor and mystery written in 1906 John Kendrick Bangs introduces to the reader the enigmatic character of Raffles Holmes the son of the great Sherlock Holmes and the grandson of the gentleman thief A J Raffles and his escapades In the story titled The Adventure of the Dorrington Ruby Seal the reader gets to know how Sherlock Holmes created by Arthur Conan Doyle tracing a crime gets acquainted with Marjorie the daughter of A J Raffles created by Doyle s brother in law E W Hornung and falls heads over heels in love with her resulting in their matrimony John Kendrick Bangs adapts character traits from both these ancestors resulting in Raffles Holmes being a gentleman and a magnetic figure with mastery in disguise deduction scheming and talented as a cat burglar and thief Following the style of Sherlock Holmes and A J Raffles tales these stories are chronicled by an artistic assistant named Jenkins who also acts as a companion to Raffles Holmes The battle of conscience between the A J Raffles and the Holmes traits in Raffles Holmes are the main feature of these stories Even though Raffles Holmes is a morally inclined character at times it can be seen that the traits of A J Raffles is a tad powerful than the Holmes traits Instead of solving crimes through deductive abilities like Holmes Raffles Holmes often uses his logical deduction and mastery over breaking and entering to create cases and then solve them for monetary benefits The author intent seems to be on making these stories more tending towards being humorous and fanciful than making them taut mysteries like the original Holmes stories Raffles Holmes Company is one of the earliest of the Holmes Raffles pastiches and is a fine sampler for the multitudes of parodies written by John Kendrick Bangs These preposterous tales of mystery are easy to read and amusing and will be worthy to take up for Holmes Raffles fans

Bangs, 2020-06-02 It was a blistering night in August All day long the mercury in the thermometer had been flirting with the figures at the top of the tube and the promised shower at night which a mendacious Weather Bureau had been prophesying as a slight mitigation of our sufferings was conspicuous wholly by its absence I had but one comfort in the sweltering hours of the day afternoon and evening and that was that my family were away in the mountains and there was no law against my sitting around all day clad only in my pajamas and otherwise concealed from possibly intruding eyes by the wreaths of smoke that I extracted from the nineteen or twenty cigars which when there is no protesting eye to suggest otherwise form my daily allowance I had tried every method known to the resourceful flat dweller of modern times to get cool and to stay so but alas it was impossible Even the radiators which all winter long had never once given forth a spark of heat now hissed to the touch of my moistened finger Harper's Weekly John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman
