a woman of her husband's death. This profound mistake taught him invaluable lessons about existence and purpose. He argues that our relentless pursuit of money, family, and friendships while important, often distract us from what truly matters, leaving us disenchanted. What if we could address this inner ache? What if we could discover our true place in the world? In this final book of a trilogy which began with *The Problem of God*, Clark presents 11 practical principles to help us flourish. He explores foundational topics like our origins, identity, and the meaning of suffering, while drawing from biblical theology, psychology, and engaging stories like his battle with Tourette Syndrome and how it made him a better preacher and person. How he accidentally saved a woman from killing herself. Why scientists and tennis players agree that the cultural conversation about gender is all backward. Why your view on Sea World may predict your level of anxiety. What the dramatic events surrounding a false missile alert in Hawaii in 2018 have to do with you. *The Problem of Life* illustrates how we may be looking in all the wrong places for joy, contentment, and satisfaction, and points us toward God as the remedy for our brokenness.

**Examining the Impact of Trauma** Bradley D. Grammer, 2016-06-16 Through twenty-five years of walking alongside those in conflict with their sexuality, Brad has come to understand what is at the heart of same-sex attraction trauma. Little is understood about the concept of trauma, and only recently has the method of trauma-informed care come to the forefront of helping others. People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion. Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire. Believers need to be equipped with a deeper understanding of the foundations of same-sex attraction, whether they face these desires themselves or have loved ones for whom they care. An integral part of helping those with same-sex attraction is learning what we all have in common in experiences with trauma and our reactions to it. Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same-sex attraction.

**Waking Up Slowly** Dave Burchett, 2017-03-07 What if we are stubbing our toes on the sacred every day and not realizing it? We are the most connected culture in history, but arguably the most disconnected from the awareness of God's presence. *Waking Up Slowly* is author Dave Burchett's personal challenge to live in the moment and find the everyday joys he misses in disconnected busyness. What moments of joy do we inadvertently miss as we stare at our screens? What performance idols destroy our ability to appreciate God's gifts? Dave Burchett sets out to find out how life might look differently if he awoke each morning consciously looking for the easy-to-miss postcards from God. *Waking Up Slowly* is an intimate, warm, and touching story of discovering how to more fully appreciate living in the moment. During his discovery, the author finds regular reminders of daily joys from his Labrador pal, Maggie. *Waking Up Slowly* challenges the reader to recognize, appreciate, and celebrate the ways that God reveals himself daily. Through regular people, everyday situations, cuddly creatures, and stunning nature, God's presence is real and discoverable. We just need to wake up to it.

The United States is the most medicated country in the world More than 1 7 million Americans are struggling with addiction to prescription painkillers fueling the opioid crisis that claims more than 140 lives every day The trouble isn t just the drugs it s that we don t know what to do with the people addicted to them Not as a country not as the church Is tough love called for Or would Christ have us take a different approach to addiction recovery Drawn from the personal experience of the authors and current research The Heart of Recovery calls us to set aside judgment and mend recovering addicts and their families with the stuff God uses to heal compassion and community It s a call to serve the ones who cannot repay to forgive 70 times 7 to fling the door wide open to the prodigal and to remember the purpose of grace A supportive community family friends the church and more encourages and sustains long term recovery Through compassion we bring hope for healing      *Mom Set Free* Jeannie Cunnion,2017-08-29 The pressure on moms is to do it all right so their kids turn out all right Jennie Cunnion reveals how the Good News of the Gospel empowers us to live and parent in the freedom for which Christ has set us free

The Spiritual Formation of Leaders Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That s why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich

community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God's presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom

**How Far Is Heaven?** Ronnie McBrayer, 2013-05-21 In *How Far Is Heaven* Ronnie McBrayer explores the kingdom parables of Jesus and finds in them an urgent challenge for Christians to reassess the gospel they believe and the role their professed faith plays in the world today He argues that the gospel cannot be reduced to apocalyptic escapism whereby the true believers will one day be rescued from the sufferings of planet Earth nor can faith be used as a type of benefits program providing the individual with the privileged comfort of membership Instead the gospel audaciously enters the sufferings of this present world with transforming love as Jesus can never be locked away in our hearts He his message and his followers break defiantly free to renew and reshape not only tomorrow but also the here and now Thus the gospel according to Jesus is not just about a harp playing cloud riding pie in the sky heaven It is holistic all encompassing redeeming deliverance for people today not tomorrow And the follower of Jesus is called to live out the active participating presence of Christ in the world of now right here where we live work love and serve because heaven is far closer than we think

*Confessions of a Christian Alcoholic* Jonathon M. Seidl, 2025-10-07 While the Christian community loves stories of salvation it struggles with stories of sanctification the often messy journey of becoming like Jesus As a result many Christians who stumble are mired in shame especially when it comes to one of society's biggest post Covid obsessions alcohol But there is hope for those willing to rethink their drinking In *Confessions of a Christian Alcoholic* Jonathon M Seidl vividly tells his own story of disordered drinking Not only does he address the roots of addiction trauma and the often overlooked reality that Christians aren't immune to sin struggles he also reframes the term alcoholic and shares the practical yet spiritual four step process he used to break free a process readers will find helpful for working through many of life's struggles Written in an engaging conversational style *Confessions* shows that there's hope for Christians who become alcoholics not just for alcoholics who become Christians
