Bitter Healing Jeannine Blackwell, Susanne Zantop, 1990-01-01 Bitter Healing is the first anthology of eighteenth and early nineteenth century German women's writing in English translation. It goes far toward filling a major gap in literary history by recovering for a wide audience the works of women who were as famous during their lifetime as Wieland, Schiller, and Goethe. Like those men, they wrote in the early modern period spanning the transition from early Enlightenment to Romanticism. Edited by Jeannine Blackwell and Susanne Zantop, this collection assembles little-known writings by fifteen authors from various social classes, religious backgrounds, and political persuasions. They include the forgotten pietist theologian Johanna Eleonore Petersen, the radical social reformer Bettina von Arnim, the outspoken peasant's daughter Anna Luisa Karsch, the aristocrats Annette von Droste-Hülshoff and Karoline von Günderrode, and the conservative monarchist Sophie von La Roche, among others. Their autobiographies and letters, moral and not so moral, tales, lyrical and protest poems, plays, and fairy tales deal with religious crisis, family conflict, and harmony; mothers and daughters, wise women, romance, and pain; and the healing power of love, self-understanding, escape, and the magical and humorous. The variety and quality of the pieces testify to the creativity of women writers during this first peak of literary activity in Germany, the so-called Age of Goethe. The editors have provided a short biography and bibliography for each writer.

Jewish Christians and Christian Jews R.H. Popkin, G.M. Weiner, 2013-03-07 The appearance of religious toleration combined with the intensification of the search for theological truth led to a unique phenomenon in early modern Europe: Jewish Christians and Christian Jews. These essays will demonstrate that the cross-fertilization of these two religions, which for so long had a tradition of hostility towards each other, not only affected developments within the two groups but in many ways foreshadowed the emergence of the Enlightenment and the evolution of modern religious freedom.

I Just Let Life Rain Down on Me Rahel Levin Varnhagen, 2024-06-05 A personal look into the mind of one of Europe's first and foremost women of letters. At times poetic but not a poem, prosaic but not an essay, a letter is often pure writing for writing's sake. Such is the case for Rahel Varnhagen von Ense. Rahel Levin, the illustrious German Jewish Berlin literary salon hostess from the early nineteenth century, she penned over ten thousand letters to more than three hundred recipients, including princes, philosophers, poets, family members, and the family cook. Written with a wink at posterity, collected and first published after her passing by her husband Karl August Varnhagen von Ense, these letters constitute a singular contribution to German literature. Varied in subject from family affairs to linguistic, literary, and pressing social concerns, the poignant lyricism of her letters is all the more remarkable when we take into account that High German was not her first language; she grew up speaking, reading, and writing primarily Yiddish. Her shaky social status as a woman and a member of a precarious minority, combined with an astounding lucidity and a rare capacity to put her thoughts into words, made her a force to be reckoned with in her lifetime and thereafter as one of Germany's preeminent women of letters. As we see in *I Just Let Life Rain Down on Me*, her voice is as fresh and original as that of any of

the recognized poets and thinkers of her day As Rahel herself put it O ur language is our lived life I invented mine for my own purposes I was less able than many others to make use of preconceived turns of phrase which is why mine are often clumsy and in all respects faulty but always true Compiled and translated by Peter Wortsman this rewarding volume affords English speaking readers the first privileged peek at the mindset of one of Europe s first and foremost women of letters **Rahel Varnhagen** Ellen Karolina Sofia Key,Arthur G. Chater,2013-09 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Gender, Canon and Literary History* Ruth Whittle,2013-08-28 It has been shown that the total number of women who published in German in the 18th and 19th centuries was approximately 3 500 but even by 1918 only a few of them were known The reason for this lies in the selection processes to which the authors have been subjected and it is this selection process that is the focus of the research here presented The selection criteria have not simply been gender based but have had much to do with the urgent quest for establishing a German Nation State in 1848 and beyond Prutz Gottschall Krey ig and others found it necessary to use literary historiography which had been established by 1835 in order to construct an ideal of Germanness at a time when a political unity remained absent and they wove women writers into this plot After unification in 1872 this kind of weaving seemed to have become less pressing and other discourses came to the fore especially those revolving round femininity vs masculinity and races The study of the processes at work here will enhance current debates about the literary canon by tracing its evolution and identifying the factors which came to determine the visibility or obscurity of particular authors and texts The focus will be on a number of case studies but instead of isolating questions of gender *Gender Canon and Literary History* will discuss the broader cultural context *Mobile Prussia* Ottmar Ette,2021-11-09 Prussia as a nation state as a cultural state as a military power beyond these one dimensional ideas Ottmar Ette s new book unfolds the picture of a multi perspective Prussia From Anton Wilhelm Amo the first black philosopher to matriculate at a Prussian university to Frederick the Great s projection of the Prussian polity onto New Spain and the reign of Moctezuma to the Dutch philosopher Cornelius de Pauw who published his works in French in Berlin and fueled the worldwide Berlin debate about the New World from the Jewish salon of Rahel Varnhagen to Heinrich von Kleist s imagination of the Haitian Revolution to Adelbert von Chamisso and Alexander von Humboldt who was not considered a true Prussian Buried traditions of a history that have been expatriated from the common image of Prussia come to life Ottmar Ette tells of mobile Prussians whose relationships arrange themselves into Prussia as a mobile This book is a translation of the original German 1st edition *Mobile Preu en* by Ottmar Ette published by J B Metzler imprint of Springer

Verlag GmbH Germany part of Springer Nature in 2019 The translation was done with the help of artificial intelligence machine translation by the service DeepL.com The author with the friendly support of Patricia Gwozdz has subsequently revised the text further in an endeavour to refine the work stylistically
