Churchill's Shadow Raiders Damien Lewis, 2020-04-28 From bestselling and award winning war reporter Damien Lewis and for fans of Erik Larsen's The Splendid and Vile and Alex Kershaw's The Forgotten 500 comes a thrilling account of one of the most daring raids of WWII the true story of the race to stop Hitler from developing a top secret weapon that would change the course of history One of the most readable World War 2 history books I have read in years We Are the Mighty In the winter of 1941 as Britain faced defeat on all fronts an RAF reconnaissance pilot photographed an alien looking object on the French coast near Le Havre The mysterious device a Wurzburg Dish appeared to be a new form of radar technology ultra compact highly precise and pointed directly across the English Channel Britain's experts found it hard to believe the Germans had mastered such groundbreaking technology But one young technician thought it not only possible he convinced Winston Churchill that the dish posed a unique and deadly threat to Allied forces one that required desperate measures and

drastic action Capturing the radar on film had been an amazing coup Stealing it away from under the noses of the Nazis would be remarkable So was launched Operation Biting a mission like no other An extraordinary snatch and grab raid on Germany s secret radar installation it offered Churchill s elite airborne force the Special Air Service a rare opportunity to redeem themselves after a previous failed mission and to shift the tides of war forever Led by the legendary Major John Frost these brave paratroopers would risk all in a daring airborne assault with only a small stretch of beach menaced by enemy guns as their exit point With the help of a volunteer radar technician who knew how to dismantle the dish as well as the courageous men and women of the French Resistance they succeeded against all odds in their act of brazen robbery Some would die Others would be captured All fought with resolute bravery This is the story of that fateful night of February 27 1942 A brilliantly told thrillingly tense account of Churchill s raiders in their finest hour this is World War II history at its heart stopping best This highly informative book almost reads like a genuine techno thriller New York Journal of Books A little known behind the lines spectacular led by two heroic British officers Kirkus Reviews Anyone who wants to learn more about the origins of the British Special Forces should read this book It intertwines historical research and eyewitness testimony to tell the untold story of heroism courage and ingenuity Military Press Lewis presents a richly detailed and nail biting tale Library Journal

Avenging Shadow (Amica Saga #1) Richard S. Tuttle, 2013-01-24

It has been four hundred years since the Mage Wars ended and Terrus the Liberator banished the mage lords to the island of Lantana. Since that time the continent of Amica has been free from their destructive influences but an archivist fears that sacred vow is being broken and he is willing to risk his life to stop it. Indeed, he is willing to risk all of Lantana to foil the evil plot. Marcus is an apprentice blacksmith in his father's village forge. His ambition is to become the best blacksmith he can but fate holds a different future for young Marcus of Kor. When a dark stranger appears in the forge with a black hiltless sword made of an unknown metal, Marcus is propelled on a dangerous adventure that will change the world. Along his path, Marcus will have to deal with a rebel spymaster whose goal is to mold a young captive into a deadly assassin, a cloaked stranger whose focus is on ancient history with an urgency to avoid a feared future, a young warrior woman who befriends everyone yet trusts no one, a noble's son with an eye for archery and a yearning for adventure, a once benevolent king who has mysteriously grown evil and greedy, an elite military group willing to slaughter entire villages to please their masters, and a general who knows that the world has gone awry but feels helpless to change it.

Avenging Shadow is a tale of adventure, magic, intrigue, betrayal, and bravery. While it is a story of a young man's struggle for justice, it also is a story of friendship and the binding of diverse goals in a gripping saga of daring and hope.

Shadow Warriors Dick Camp, 2013-07-15

In the nearly seven decades following World War II, the heroes of the Allied Forces have been rendered ageless through portrayals transforming their overseas triumphs into household tales. Books, films, and video games have reiterated the stories of such famed American units as Merrill's Marauders and Darby's Rangers. Some of World War II's most important missions, however, were also the most secretive; they have only recently been declassified by the U.S. government. Now, for the first time, a single volume describes many of them in detail. In *Shadow Warriors*, military historian and retired U.S. Marine Dick Camp illuminates the untold history of American special operations units in World War II. The book's action-packed narrative, rooted in a time before organizations like the CIA even existed, describes the adventures of those who paved the way for the special operations forces we know so well today: the U.S. Navy SEALs, U.S. Army Special Forces, and U.S. Marine Corps Special Operations Command. *MARSOC* Split into two parts covering the war's European and Pacific theaters, it features elaborate spy networks, covert parachutists, island assaults, amphibious raids, and the occasional catastrophic mission failure. Bolstered

by an in person interview with World War II veteran Sgt Jack Risler U S Marines Operation Union II and a collection of rare black and white period photographs *Shadow Warriors* is not only a gripping account of top secret exploits it is an homage to some of the brilliant courageous and previously unacknowledged heroes of World War II **The Raider's Promise** Lois Johnson,2006-01-01 Three years after their first adventure began Bree Devin and Mikkel now enter a new world with the explorer Leif Erikson Their first task build a shelter to survive the winter But danger lurks from within the shadows on the horizon of a life where everyone needs the courage to win Can Mikkel conquer his enemies and find new purpose for his life Will he keep his promise to Bree and Devin to take them home to Ireland Will he keep his pledge of honor even if it means death Role Playing Game J.
