Rain Queer:

Shakespeare Madhavi Menon, 2011-02 *Shakespeare* puts the most exciting queer theorists in conversation with the complete works of William Shakespeare Exploring what is odd eccentric and unexpected in the Bard's plays and poems these theorists highlight not only the many ways that Shakespeare can be queered but also the many ways that Shakespeare can enrich queer theory This innovative anthology reveals an early modern playwright insistently returning to questions of language identity and temporality themes central to contemporary queer theory Since many of the contributors do not study early modern literature *Shakespeare* takes queer theory back and brings Shakespeare forward challenging the chronological confinement of queer theory to the last two hundred years The book also challenges conceptual certainties that have narrowly equated queerness with homosexuality Chasing all manner of stray desires through every one of Shakespeare's plays and poems the contributors cross temporal animal theoretical and sexual boundaries with abandon Claiming adherence to no one school of thought the essays consider *The Winter's Tale* alongside network TV *Hamlet* in relation to the death drive King John as a history of queer theory and *Much Ado About Nothing* in tune with a Sondheim musical Together they expand the reach of queerness and queer critique across chronologies methodologies and bodies Contributors Matt Bell Amanda Berry Daniel Boyarin Judith Brown Steven Bruhm Peter Coviello Julie Crawford Drew Daniel Mario DiGangi Lee Edelman Jason Edwards Aranye Fradenburg Carla Freccero Daniel Juan Gil Jonathan Goldberg Jody Greene Stephen Guy Bray Ellis Hanson Sharon Holland Cary Howie Lynne Huffer Barbara Johnson Hector Kollias James Kuzner Arthur L Little Jr Philip Lorenz Heather Love Jeffrey Masten Robert McRuer Madhavi Menon Michael Moon Paul Morrison Andrew Nicholls Kevin Ohi Patrick R O Malley Ann Pellegrini Richard Rambuss Valerie Rohy Bethany Schneider Kathryn Schwarz Laurie Shannon Ashley T Sheldon Alan Sinfield Bruce Smith Karl Steel Kathryn Bond Stockton Amy Villarejo Julian Yates **Queer Magic** Tomás Prower, 2025-08-05 *Queer Magic and Mysticism in History and Today* *Queer Magic* provides nourishment for LGBTQ souls and their allies who are interested in learning about the significant presence and influence of queer folks throughout history Explore fascinating insights into queer relationships and spiritual practices from different regions of the world Learn about deities heroes and historical figures who embody the power of the queer spirit Discover inspiring contributions from contemporary LGBT Pagans Catholics Buddhists Muslims and others as they share personal stories of their experiences as well as spells prayers and meditations from their own practices With practical suggestions and enlightening perspectives this book is a unique resource for LGBT spiritual seekers who want to experience the sustaining energy and strength of the worldwide queer community Praise *Queer Magic* asks us to unlearn what we've thought about the global past and instead substitutes an inclusive more accurate world history where queer identities are plenty ForeWord Reviews Tom's Prower takes us on a global journey a quest to find queer magick across the world Our stories are not confined to any one place time or religion and this book is truly a diverse guide to understanding our often lost and forgotten myth and history Certain to

inspire LGBTQ magickal practitioners for years to come Christopher Penczak Gay Witchcraft In his latest work Queer Magic Tom s Prower takes us on a journey that spans both time and continents to examine the myths magic and spiritual lives of those who exist outside the culturally sanctioned heterosexual binary Surprisingly detailed Prower examines not only the practices of pre modern native cultures but also the effects of Christian colonialism and its devastating and history robbing effects upon them He demonstrates how those cultures near universal acceptance of queer sexual expression has been usurped and he shines a light on how those traditions have found ways to survive and even thrive in spite of being the victims of revisionist history With interesting bits of history and lore I may never think of Dracula quite the same way again combined with practical exercises to help us view sexual expression and gender outside of our common modern restrictions this book should be considered essential reading for all LGBT practitioners of magic and spirituality Highly recommended Storm Faerywolf author of Betwixt and Between More often than not people whose sexual identities gender identities social roles affectional preferences relationship styles and so on are in the minority and tend to be erased or misrepresented in our culture Queer Magic is a journey around the world and through the centuries to uncover some of these hidden stories This book is not only history and mythology it also contains vignettes experiences and practices from modern people from diverse backgrounds One book cannot address everyone and everything but Queer Magic is a heartfelt effort that will encourage you to continue the work of discovering these treasures of the spirit Ivo Dominguez Jr author of The Keys to Perception *The Fugitive Race* Stephen P. Knadler, 2007-06 Denying its formative dialogues with minorities the white race Stephen P Knadler contends has been a fugitive race While the white question like the Negro question and the woman question a century earlier has garnered considerable critical attention among scholars looking to find new anti race strategies these investigations need to highlight not just the exclusion of people of color but also examine minority writers resistance to and disruption of this privileged racial category Highly original wonderfully detailed and thought provoking says Professor Candace Waid of Knadler s intellectually challenging book Although excluded people of color looked back in anger laughter and wisdom to challenge the unexamined lie of a self evident whiteness Looking at fictional and nonfictional texts written between 1850 and 1984 *The Fugitive Race* traces a long cultural and literary history of the ways African Americans Asian Americans Jewish Americans Chicanos gays and lesbians have challenged the shape and meaning of so called white identities From the antebellum period to the 1980s the belief in a white racial superiority or simply a white difference has denied that people of color might and do have an influence on the supposedly pure or protected character of whiteness In contrast this book attempts to define a new way of analyzing minority literature that questions this segregated color line In addition to creating a new racial awareness many writers of color tried to interfere in the historical formulation of whiteness They created unsettling moments when white readers had to see themselves for the first time from the outside in or from the critical perspective of non white writers These writers including William Wells Brown Pauline Hopkins Abraham Cahan Young hill

Kang Zora Neale Hurston and Arturo Islas did not simply resist assimilation They sought to dismantle the white identities that lay as the foundation of the master s house *Queer Southeast Asia* Shawna Tang,Hendri Yulius Wijaya,2022-11-22 Tang and Wijaya present a range of new and established scholarly voices including local activists directly involved in developments in Southeast Asia This groundbreaking collection presents the current state of play and longstanding LGBTQ debates in this often overlooked region of Asia The diversity of both the subject and the region is reflected in the broad scope of topics addressed from the impact of Japanese queer popular culture on queer Filipinos to the politics of public toilets in Singapore and the impact of digital governance on queer communities across ASEAN Taken in combination these investigations not only highlight the operations of queer politics in Southeast Asia but also present a concrete basis to reflect on queer knowledge production in the region A vital resource for students and scholars of gender and sexuality in Southeast Asia or any Queer or LGBTQ studies looking beyond the West **"I Could Not Speak My Heart"** University of Regina. Canadian Plains Research Center,2004 This anthology of 19 articles documents the pain misunderstanding that lesbian gay bisexual transgendered people have experienced in the very recent past and demonstrates the real progress both in theory in practice that has been made in the struggle for equity social justice The articles include autobiography testament fiction poetry and traditional personal analytic essays from authors with different intellectual perspectives human rights social reform human justice feminist liberationist and queer theory *Diary and Letters of Rutherford Birchard Hayes: 1861-1865* Rutherford B. Hayes,1922 *Bijoux* Bobbie Louise Hawkins,2005 Poetry Bobbie Louise Hawkins BIJOUX explores both the hope and futility of everyday life with wit and erudition Most interesting works of word art arise out of a sense of our being at a loss for words while knowing that there must be some out there among all the deafening racket of the outside words we may use to counter and cut through pandemonium to clear a space to have this moment in these words Again and again with elegant insight wit and compassion Bobbie Louise Hawkins poems invite us into such spaces of human clarity Anselm Hollo The Works of Ivan Turgenieff: Spring freshets and other stories.
