Rain On My Wings:

Rays and Rains Aparajita Bose, 2014-06-20 You are a potter I am a potter We are all potters The life we have got is the clay We are all potters building our lives building the early life of our children There are rules thousands of them to build this life to make it perfect They form the potters wheel But just as you would be more comfortable shaping your own pot with your own hands and keep the wheel aside you would likewise love to shape your life or your child's life with your experiences your thoughts that visit you your intuition and the mix of delightful as well as not so delightful stories and thoughts and experiences shared by fellow potters because these together are your hands In this journey of life we pass through rays and rains the happy and not so happy experiences some experiences with near and dear ones and some with acquaintances and some experiences that are not ours but as real as ours because they are experiences of people as real as us though not known to us And as we keep building the pot we exchange our thoughts with people who too are shaping their pots with their hands These are thoughts about us and also about our children about what we see and what we hear and what we feel about ourselves as we move from being people to being parents from being not perfect to being trying to be perfect for the sake of the children and finally to being just ourselves

Reality Bites Lia Davis, 2023-06-26 The end is near In the wake of Vassago's deadly game Randi endures a lull almost worse than another tango with Stone Her paranoia feeds on the quiet filling the silence with fears of Shade reprisal Sure the Vampire Council is rebuilding her once dead husband has come home and she's got time again to spend with her son Logan But what are her enemies up to It doesn't help matters when her new friend Misty Drake reports fractures in the unholy alliance that point to possible Shade spies And then there's the dead John Doe case which seemed at first to be a garden variety mob hit but reveals magical connections When the investigation dovetails with Shade machinations Randi slowly uncovers Stone's biggest plot yet But Shade spies and secret agents abound thwarting Randi at every turn Attacks betrayals subterfuge and a hurricane brewing off the coast of Florida conspire to try and defeat Randi and her coalition of the middle When the storm makes landfall Armageddon comes to Jacksonville With the help of her two lovers Cash and Kalon as well as new allies and old friends Randi prepares to make the final stand The last chapter in the Shade saga packs a punch of apocalyptic proportions The ultimate battle for the middle unfolds in an epic and emotional climax that will put Randi Sanderson's strength heart and soul to the test
