the family's proud piety and beautiful old timey music lay Pilgrim's dark past his strange connection to the Kennedy assassination and a trail of chaos and anguish that followed him from Dallas and New Mexico Pilgrim soon sparked a tense confrontation with the National Park Service fiercely dividing the community over where a citizen's rights end and the government's power begins As the battle grew more intense the turmoil in his brood made it increasingly difficult to tell whether his children were messianic followers or hostages in desperate need of rescue In this powerful piece of Americana written with uncommon grace and high drama veteran Alaska journalist Tom Kizzia uses his unparalleled access to capture an era defining clash between environmentalists and pioneers ignited by a mesmerizing sociopath who held a town and a family captive
