Journey To The Promised Land Nancy Blackburn,2018-12-07 The people in the story are Hebrew and they live on Love Boot Island They make their living by manufacturing boots from the skins of animals and other materials They called the boots Love Boots and they worked night and day making them The symbol of the love boot a small pink heart was placed at the top on the outside of each boot The boots were shipped to all parts of the world and the people bought and loved them because of their design durability comfort and colors Males and females of all ages wore their boots to parties school and work For whatever the occasion there were boots One day it quit raining Days passed and still there wasn t any rain There was no water for the gardens and they dried up The fresh green grass dried up and the land turned all brown The trees did not have leaves on them anymore Where the creeks and rivers once flowed there was dried cracked mud Everything was a

sad sight because there wasn't any more water. The people were desperate as they could not work and eat any more. Mommies and daddies went to the grocery store but there was no more food on the shelves or in the land and the people were hungry as the Great Famine covered the land. In order to save their 777 famine babies read the story to find out what the Hebrew people did. This is a family story and third graders and over will enjoy the reading. 60 Hikes Within 60 Miles: Phoenix Charles Liu, 2010-05-10.
