and legends history of the old ones of years ago curses that seem they will never be broken spirits held captive Will this be the day that a long untold ledgend comes true **Shattered Dreams at Rainbow's End** Christopher Horne, PhD,2018-08-06 Drawn from real life Shattered Dreams at Rainbow s End is the story of a World War II hero Donald a foot soldier who returns from combat meets the Depression born Mary and marries her They have two children baby boomers Danny and Deborah and then a third child Charles part of Gen X Patriarch Donald s dream of having the family all sitting around the fire at Christmas time in the Rainbow s End farmhouse reflected family values He died before seeing his dream fulfilled None of the children despite apparent successes end up meeting the parents expectations Mary s second husband s brief five year presence and leadership helped get the family back on the track of family values Her third husband could do little to promote family values Despite his affection for Mary his luxurious lifestyle and personal wealth mattered more than family values The tragedy of Shattered Dreams is not just the multifaceted emotional drama surrounding Mary s three husbands but the breaking of at least one rule in the patriarch s moral code by each of his children Informative psychologically legally historically shows passion and a great will to overcome Coach B English teacher and hall of Fame wrestling coach Very interesting story with spiritual implications like the Bible verse in Jeremiah 33 3 Call to me and I will answer you and tell you great and unsearchable things you do not know Hyrine O Where The Rainbow Ends Anurag Anand,2013-10 Even the most artistic of imaginings can sometimes seem callow in the face of truth That which appears may not be and that which lies hidden might just be the stark naked face of reality Rahul had everything going his way a soaring career a happy family and all else a man his age could yearn for And then suddenly his life began to crumble all around him disintegrating element after precious element leaving him to watch in helpless horror Where had he gone wrong Was there still hope for redemption even a solitary ray that he could cling on to Avantika a pretty vivacious girl who had come into Rahul s life by pure accident literally has suddenly gone missing Just like that without as much as a trace Where is Avantika Will Rahul be able to find her Is it her own past that has come back to consume her or is it something even more vicious and sinister Shalini Rahul s first love and a girl accustomed to leading life on her own terms Hailing from a family that exerts considerable influence in the galleries of politics and power she certainly has the wherewithal to impact a lot of things Even lives Is Shalini fostering a grudge that could displace not one but many lives Could she be the one behind Avantika s mysterious disappearance Where The RAINBOW Ends is a racy page turner that promises to take you on a tempestuous and soul stirring journey which shall remain with you long after you have put the book down **Legends of Many Lands** Eleanor Darby,1870 **Postcards from Rainbow's End** R. Buddy Murphy,2010-05 A captivating journey of life misadventures and survival through the eyes of Lane Webster The flashbacks are riviting and exciting the pages almost turn on their own It starts with a blast of demonic energy just keeps going and going until the last page has been turned A good and easy read that keeps you begging for more Lane Webster What a guy and the colourful characters he meets on the

journey provide a tale that must be told and must be heard I dare you to try and put it down Go ahead Try
