Raincoast Chronicles 23 Peter A. Robson, 2015-04-25 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion this special double issue of Raincoast Chronicles takes a tour down memory lane selecting a trove of the most outstanding stories in all those Harbour books and republishing them in one volume Here are some of Canada s most exciting and iconic writers Al Purdy Anne Cameron Edith Iglauer Patrick Lane and Grant Lawrence to start a long list Here also are stories of disasters at sea scarcely believable bush plane feats eerie events at coastal ghost towns and a First Nations elder who has seen so many sasquatches he finds them sort of boring Full of great drawings and photos this jumbo anniversary edition of Raincoast Chronicles is a feast of great Pacific Northwest storytelling **America, History and Life** ,2001 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

Index de Périodiques Canadiens ,2000 *The Canadian Historical Review* ,1977 Includes section Recent publications relating to Canada **A Resonant Ecology** Max Ritts, 2024-08-30 In A Resonant Ecology Max Ritts traces how sound s integration into the environmental politics of Canada s North Coast has paved the way for massive industrial expansion While conservationists hope that the dissemination of whale songs and other nature sounds will showcase the beauty of local wildlife for people around the world Ritts reveals how colonial capitalism can co opt sonic efforts to protect the coast He demonstrates how digital technologies allow industry to sonically map new shipping lanes and facilitate new ways of

experiencing sound premised not on listening but on sound's exploitable status as a data resource By outlining how sound can both perpetuate and refuse capitalist colonialism Ritts challenges the idea that the sonic realm is inherently liberatory and reveals sound to be a powerfully uncertain object Through a situated geographical approach he makes the case that only a decolonial and multigenerational environmental politics can counter the false promise of sustainable marine development held up by industry and the state

Quill & Quire, 2004 *Ocean of Destiny* Arthur

Lower, 2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada's international outlook

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Raincoast Chronicles, Fourth Five** Howard White, 2005 *BC Studies*, 1996 **The Canadian Rangers** P. Whitney Lackenbauer, 2013-05-01 The Canadian Rangers stand sentinel in the farthest reaches of our country For more than six decades this dedicated group of citizen soldiers has quietly served as Canada's eyes ears and voice in isolated coastal and northern communities Drawing on official records interviews and participation in Ranger exercises Lackenbauer argues that the organization offers an inexpensive way for Canada to show the flag from coast to coast to coast The Rangers have also laid the foundation for a successful partnership between the modern state and Aboriginal peoples a partnership rooted in local knowledge and crosscultural understanding
