Kristine C. Harper,2018-06-04 Weather control Juxtaposing those two words is enough to raise eyebrows in a world where even the best weather models still fail to nail every forecast and when the effects of climate change on sea level height seasonal averages of weather phenomena and biological behavior are being watched with interest by all regardless of political or scientific persuasion But between the late nineteenth century when the United States first funded an attempt to shock rain out of clouds and the late 1940s rainmaking as it had been known became weather control And then things got out of control In *Make It Rain* Kristine C Harper tells the long and somewhat ludicrous history of state funded attempts to manage manipulate and deploy the weather in America Harper shows that governments from the federal to the local became helplessly captivated by the idea that weather control could promote agriculture health industrial output and economic growth at home or even be used as a military weapon and diplomatic tool abroad Clear fog for landing aircraft There s a project for that Gentle rain for strawberries Let s do it Enhanced snowpacks for hydroelectric utilities Check The heyday of these weather control programs came during the Cold War as the atmosphere came to be seen as something to be defended weaponized and manipulated Yet Harper demonstrates that today there are clear implications for our attempts to solve the problems of climate change **The Smoke-Free Smoke Break** Pavel Somov,Marla Somova,2011-12-01 As a smoker you

Completing his masterful trilogy of novels set in Elizabethan England Garrett again applies distinguished literary skills to spin a tale dark with deception and metaphysical questions but teeming with sensuous and concrete details that convey the spirit of the age In 1597 when it seems that half the people in England are spying on the other half two Londoners skilled in deceit are forcibly enjoined by rival factions to investigate the recent death of dissolute poet and playwright Christopher Marlowe Each of the two Joseph Hunnyman common player and con man and Captain William Barfoot soldier and spy is aware of the other's investigation but they come together only through a third party the provocative widow Alysoun Like an impressionist painting vivid in its small shimmering details the novel conveys a picture of Renaissance society offers richly nuanced character portraits and sparkles with bawdy humor and robust sexuality Garrett's prose is oblique his sentences arrestingly truncated his narrative method seemingly digressive in no rush to spill out his story he circles round and round its mysterious core Though the plot here is less compelling than those of the two previous novels readers will enjoy a novel of rare literary quality richly marinated in research wondrously steeped in the world it artfully depicts PW **Rook's Rose**
