Raindrops Upon The Parched Fields Of My Heart:

Beneath the Umbrella's Edge Rama Pemmaraju Rao, MD, 2002-04-01 Beneath the Umbrella's Edge is a sequel to the book *Be SELF Centered not self centered* It is an intimate dialogue in question and answer form between Dr Rama's Higher Self and the feminine aspect of Source known as the Divine Mother In this book the Divine Mother essence discusses how living on Earth is a paradox of rain and shine where we have the opportunity to learn to live in balance and harmony to appreciate life's shades of gray God Is Simple - Everything Else Is Complex Pemmaraju Rao, 2001-11-08 There are so many complex volumes written on spirituality however God is essentially simple and the experience of the Divine is available to all We are already enlightened beings and we are our own masters It is a matter of rediscovery and remembrance This book succinctly summarizes key elements in the process of enlightenment Read it as an invitation to deepen understanding about the main underlying elements of all religions and paths of light Everything in our lives is considered spiritual practice when we take a different angle of vision Yet enlightenment seems elusive to humanity because of the complexities within our own restless minds Reading the book will awaken a deeper appreciation of what the basic principles are behind the inner life regardless of what path we are on The clarity gained from this work in spiritual understanding enables us to go deeper and deeper into our own being until we reach the infinite consciousness or Source that is beyond as well as within the body and mind We then move closer and closer to rest in enlightenment our true nature and essence This book directly states that we are all the great Self as the ancient and modern masters and mystics have experienced and proclaimed and states that the purpose of life is to rediscover our own enlightenment It then addresses and discusses issues of Spirit that we may intuitively know but perhaps have not yet clarified or solidified a deeper understanding It goes on to filter down to the core elements of spiritual practice that lead us to a state of enlightenment It discusses the nature of the mind and ego and what keeps us from spontaneously experiencing the Inner Light The book then discusses healing and why we must keep the body and mind as fit instruments to more fully experience balance equanimity and equipoise Optimal health is resting in enlightenment through the balance of body and mind as ancient seers discovered eons ago The book embraces a freeing and refreshing philosophy of life that validates the choice to pursue any path that is suitable to us as we understand the underlying common elements on the road to enlightenment The shared common goal of all paths in essence is to rediscover the simplicity of the God Source within us all *Hours of Christian Devotion. Translated from the German ... By R. Menzies* Friedrich August Gottgetreu THOLUCK, 1870 *Hours of Christian Devotion* August Tholuck, 1875 **Hours of Christian Devotion** Robert Menzies, 2023-11-19 Reprint of the original first published in 1875 **The Thief** Stephanie Landsem, 2014-02-25 A Roman centurion longing for peace and a Jewish woman hiding a deadly secret witness a miracle that transforms their lives and leads them to the foot of the cross My God my God why have you abandoned me Nissa is a Jewish woman with a sharp tongue and no hope of marriage Abandoned by the God she once loved her only recourse is to depend upon Mouse the best thief in
