Wartime Letters of Rainer Maria Rilke, 1914-1921 Rainer Maria Rilke,1940 **The Catalog of the Gerhard Mayer Collection of Rainer Maria Rilke at the University of Illinois Library at Urbana-Champaign** University of Illinois at Urbana-Champaign. Library,1988 **Rilke's Venice** Birgit Haustedt,2019-09-15 For the Austrian poet and novelist Rainer Maria Rilke travel was not only integral to his work it was a way of life Venice stands out as a location of particular importance to Rilke and he visited the city ten times between 1897 and 1920 This city has inspired countless writers and artists but Rilke both enthralled and provoked by it reveals a striking and deeply felt love for the city He was as eager to explore the city s underbelly its deserted shipyards and back alleys as he was to experience its iconic sights of St Mark s and the Doge s Palace Staying in both simple guesthouses and the grand palaces of his patrons Rilke would walk prodigiously His contemporary Stefan Zweig commented that knowing every last corner and depth of the city was his passion and Rilke himself said his walking allowed him to grasp the whole breadth of the city In eleven walks Birgit Haustedt guides readers through Venice following the poet s footsteps Haustedt invites us to look on the beloved sights of the city through Rilke s eyes offering a new vision of this famed destination Rilke s Venice provides new insight into one of the finest and most widely recognized writers of the twentieth century It also acts as a literary travel companion and guidebook to Venice offering eleven detailed maps of walks through the city **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983 **The Aesthetics of Mythmaking in German Postwar Culture** André Fischer,2024-03-15 Myths are a central part of our reality But merely debunking them lets us forget why they are created in the first place and why we need them Andr Fischer draws on key examples from German postwar culture from novelists Hans Henny Jahnn and Hubert Fichte to sculptor and performance artist Joseph Beuys and filmmaker Werner Herzog to show that mythmaking is an indispensable human practice in times of crisis Against the background of mythologies based in nineteenth century

romanticism and their ideological continuation in Nazism fresh forms of mythmaking in the narrative visual and performative arts emerged as an aesthetic paradigm in postwar modernism Boldly rewriting the cultural history of an era and setting in transition *The Aesthetics of Mythmaking in German Postwar Culture* counters the predominant narrative of an exclusively rational *Vergangenheitsbewältigung* coming to terms with the past Far from being merely reactionary the turn toward myth offered a dimension of existential orientation that had been neglected by other influential aesthetic paradigms of the postwar period Fischer's wide ranging transmedia account offers an inclusive perspective on myth beyond storytelling and instead develops mythopoesis as a formal strategy of modernism at large

Dear Friend Eric Torgersen, 2000-04 In 1908 Rainer Maria Rilke wrote his *Requiem for a Friend* in memory of Paula Modersohn-Becker the German painter who had had a profound effect on him both personally and artistically and who had died a year earlier Modersohn-Becker despite being one of the great modern painters is today remembered primarily as she is portrayed in that poem In *Dear Friend* Eric Torgersen looks at the relationship of these two great artists whose vexed seven year friendship was extraordinarily productive for both and offers an introduction to the life and work of Modersohn-Becker a gifted and determined woman whose work stands comparison with that of any painter of her day Included in the book are sixteen illustrations as well as new translations by Torgersen of Rilke's *Requiem for a Friend* and of the love poems Rilke wrote for Becker shortly after they met Torgersen discusses Modersohn-Becker's vital paintings including her unfinished portrait of Rilke He quotes extensively from the letters and journals of both figures translating many of Rilke's into English for the first time Finally Torgersen addresses the unanswered question of whether the two were ever lovers and offers new insights into Rilke's writing of *Requiem for a Friend* Jacket

Kafka Reiner Stach, 2021-11-09 Telling the story of Kafka's final years as never before the third volume in the acclaimed definitive biography This volume of Reiner Stach's acclaimed and definitive biography of Franz Kafka tells the story of the final years of the writer's life from 1916 to 1924 a period during which the world Kafka had known came to an end Stach's riveting narrative which reflects the latest findings about Kafka's life and works draws readers

in with nearly cinematic precision zooming in for extreme close ups of Kafka's personal life then pulling back for panoramic shots of a wider world blighted by World War I disease and inflation In these years Kafka was spared military service at the front yet his work as a civil servant brought him into chilling proximity with its grim realities He was witness to unspeakable misery lost the financial security he had been counting on to lead the life of a writer and remained captive for years in his hometown of Prague The outbreak of tuberculosis and the collapse of the Austro Hungarian Empire constituted a double shock for Kafka and made him agonizingly aware of his increasing rootlessness He began to pose broader existential questions and his writing grew terser and more reflective from the parable like *Country Doctor* stories and *A Hunger Artist* to *The Castle* A door seemed to open in the form of a passionate relationship with the Czech journalist Milena Jesenská But the romance was unfulfilled and Kafka an incurably ill German Jew with a Czech passport continued to suffer However his predicament only sharpened his perceptiveness and the final period of his life became the years of insight
