Criticism Lynn King Morris, 2019-09-18 Originally published in 1985 This impressive research tool offers four different indexes to cross reference works on the sources of Chaucer The user can look up sources by author genre type or title or look up the title of one of Chaucer's works to find which bibliographic entries they are mentioned within This is a useful reference work on Chaucer source and analogue scholarship including 1477 entries **The Historical Literature of the Jack Cade**

Rebellion Alexander L. Kaufman, 2016-03-16 Accounts of Jack Cade's 1450 Rebellion an uprising of some 30 000 middle class citizens protesting Henry VI's policies and resulting in hundreds of deaths as well as the leaders execution form the dominant entry in a group of quasi historical documents referred to as the London chronicles of the Fifteenth Century However each chronicle is inherently different and highly subjective In the first study of the primary documents related to the Cade Rebellion Alexander L Kaufman shows that the chroniclers produced multiple representations of the event rather than a single unified narrative Aided by contemporary theories of historiography and historical representation Kaufman scrutinizes the differing representations and distinguishes the writers objectiveness their underrated literary skills and their ideological positions on the rebellion and fifteenth century politics He demonstrates how the use of figurative language is related to writing about trauma and how descriptions of Cade's procession through London are a violent parody of midsummer festivals In an exploration of authenticity in the descriptions of Cade Kaufman also examines the characterization and plot devices that push Cade towards the realm of myth showing that representations of Cade are influenced by popular fifteenth century stories of Robin Hood *The Romance of the Rose and the Making of Fourteenth-century English*

Literature Philip Knox, 2022 This title provides a new account of the literary history of fourteenth century England arguing that many of this period's most distinctive literary experiments emerge through a productive dialogue with the Romance of the Rose a jointly authored medieval French poem A Century of British Medieval Studies Alan Deyermond, 2007-11-29 This is an authoritative guide to the full range of medieval scholarship undertaken in twentieth century Britain history archaeology language culture Some of the twenty nine essays focus on changes in research method or on the achievements of individual scholars others are personal accounts of a lifetime's work
