Browning: Selected Poems John Woolford, Daniel Karlin, Joseph Phelan, 2013-11-19 Robert Browning 1812 1889 was one of the defining figures of the Victorian age Famous in his lifetime for his elopement and marriage to Elizabeth Barratt his critical reputation grew steadily in the years following her early death Browning s mastery of dramatic verse was evident throughout his career from such chillingly unforgettable monologues as My Last Duchess and Porphyria to the mature work included in his collection *Dramatis Personae* This selection chosen by leading scholars reveals the innovation complexity and profound psychological insight that have ensured Browning s enduring reputation and his continuing appeal to readers today Browning *Selected Poems* results from a completely fresh appraisal of the canon text and context of the writer s work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the development of Browning s art An introduction and chronology offer useful background material whilst annotations and headnotes provide details of composition publication sources and contemporary reception This authoritative yet accessible selection should become the first point of reference for scholar student and general reader alike *Breathing*

Patterns Robert P. Hoch, 2010-04-29 Preaching to the choir is always complicated but especially so when that choir happens to be a seminary community In this collection of sermons delivered in the chapel of the University of Dubuque Theological Seminary PCUSA Robert P Hoch Assistant Professor of Homiletics and Worship weaves together life experiences careful readings of the Scripture and pastoral wisdom for the benefit of seminarians pastors and educators Often poetic Dr Hoch s sermons are crafted so that they speak not only to the peculiar life of a seminary community but more broadly to the larger life of the church Beyond the sermons themselves readers will hear Dr Hoch s reflections on individual sermons reflections that sometimes betray the sermon behind the sermon Whether as a student seasoned pastor or officer in the church readers will find in these pages a partner with whom they can share the journey of faith *Beckett, Deleuze and the Televisual Event* C. Gardner, 2012-10-17 An expressive dialogue between Deleuze s philosophical writings on cinema and Beckett s innovative film and television work the book explores the relationship between the birth of the event itself a simultaneous

invention and erasure and Beckett's attempts to create an incommensurable space within the interstices of language as a whole

A W.B. Yeats Chronology J. Kelly, 2015-12-17 W B Yeats one of the greatest poets who wrote in English was also a playwright theatre director essayist Senator and life long occultist He knew practically every important figure in the cultural and public life of his time including Oscar Wilde Winston Churchill James Joyce Ezra Pound and Eamon de Valera In recording the details of these relationships and tracing his prolific literary output this book is a vivid witness to an extraordinarily important rich and crowded life as a context for his work

The Poems of W.B. Yeats Peter McDonald, 2023-05-31 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats's poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats's poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this third volume Yeats's poetry of the first decade of the twentieth century is brought into sharp focus revealing the extent of his efforts to re fashion a style that had already made him a well known poet All of the major modes in Yeats's earlier work are subject to radical re imagining in these years from poetic narrative founded in Irish myth in poems such as *Baile and Aillinn* and *The Old Age of Queen Maeve* to the symbolist drama poetry of *The Shadowy Waters* here edited in its two completely different versions of 1900 and 1906 In a decade when the theatre was one of Yeats's principal concerns his lyric poems which were becoming increasingly explicit in personal terms began to discover new intensities of conversational pitch and mythic resonance Poems such as *The Folly of Being Comforted* *Adam's Curse* *No Second Troy* and *The Fascination of What's Difficult* are given close attention in this new edition alongside topical and epigrammatic pieces that are often passed over in accounts of Yeats's development The evolving complexities of Yeats's personal and political lives are crucial to his artistic growth in these years and the commentary gives these generous attention showing how the poetry both feeds upon and often transcends the circumstances of its composition The volume offers strong evidence for this decade as a crucial one in Yeats's poetic life in which the poet created wholly new registers for his verse as well as new dimensions for his imaginative vision
