Selections from the Strauss Photography Collection Marlene Chambers, 1982 **Selections from the Strauss Photography Collection, Denver Art Museum, July 10-November 14, 1982** Robert Adams, Denver Art Museum, 1982

Subject Headings Manual Library of Congress. Cataloging Policy and Support Office, 2008 Photographic Times and American Photographer, 1902 *To Make it Home* Robert Adams, 1989 Published to accompany exhibition held at the Philadelphia Museum of Art 19 2 16 4 1989 *Reedy's Mirror*, 1902 **Nacho Lopez, Mexican Photographer** John Mraz, 2003 Annotation Photographer Nacho Lopez was Mexico's Eugene Smith fusing social commitment with searing imagery to dramatize the plight of the helpless the poor and the marginalized in the pages of glossy illustrated magazines Even today Lopez's photographs forcefully belie the picturesque exoticism that is invariably presented as the essence of Mexico In Nacho Lopez Mexican Photographer John Mraz offers the first full length study in English of this influential photojournalist and provides a close visual analysis of more than fifty of Lopez's most important photographs Mraz first sets Lopez's work in the historical and cultural context of the authoritarian presidentialism that characterized Mexican politics in the 1950s the cult of wealth and celebrity promoted by Mexico's professional photographers and the government's attempts to modernize and industrialize Mexico at almost any cost Mraz skillfully explores the implications of Lopez's imagery in this setting the extent to which his photographs might constitute further victimization of his downtrodden subjects the relationship between them and the middle class readers of the magazines for which Lopez worked and the success with which his photographs challenged Mexico's economic and political structures Mraz contrasts the photos Lopez took with those that were selected by his editors for publication He also compares Lopez's images with his theories about documentary photography and considers Lopez's photographs alongside the work of Robert Capa Dorothea Lange Henri Cartier Bresson and Sebastiao Salgado Lopez's imagery is further analyzed in relation to the Mexican Golden Age cinema inspired by Sergei Eisenstein the pioneering digital imagery of Pedro Meyer and the work of Manuel Alvarez Bravo who Mraz provocatively argues was the first Mexican photographer to take an anti picturesque stance The definitive English language assessment of Nacho Lo The Last Hurrah Graham Viney, 2019-04-18 Young Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth's life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of *My Traitor's Heart* it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren't really ours The year 1947 was a pivotal

moment not just in the history of the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth The present Queen Elizabeth must have learned a great deal about statecraft from her father and about duty tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday It was also the family s first real experience of multiculturalism Graham Viney s book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way The tour was a show of imperial solidarity and a recognition of South Africa s contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria *Asian Digital Libraries. Looking Back 10 Years and Forging New Frontiers* Dion Hoe Lian Goh,Tru Hoang Cao,Ingeborg Sølvsberg,Edie Rasmussen,2008-01-22 This book constitutes the refereed proceedings of the 10th International Conference on Asian Digital Libraries ICADL 2007 held in Hanoi Vietnam in December 2007 The 41 revised full papers 15 revised short papers and extended abstracts of 10 poster papers presented together with three keynote and three invited papers were carefully reviewed and selected from a total of 154 submissions The papers are organized in topical sections **Dutchess County Historical Society 2019 Yearbook** Candace Lewis, Editor,2019-12-19 Volume 98 in the long running series of Yearbooks from the Dutchess County NY Historical Society **Dutchess County Historical Society 2019** Candace Lewis,2019-11-25 The annual publication of the Dutchess County Historical Society Freemasonry and the Visual Arts from the Eighteenth Century Forward Reva Wolf,Alisa Luxenberg,2019-11-28 Choice Outstanding Academic Title for 2020 With the dramatic rise of Freemasonry in the eighteenth century art played a fundamental role in its practice rhetoric and global dissemination while Freemasonry in turn directly influenced developments in art This mutually enhancing relationship has only recently begun to receive its due The vilification of Masons and their own secretive practices have hampered critical study and interpretation As perceptions change and as masonic archives and institutions begin opening to the public the time is ripe for a fresh consideration of the interconnections between Freemasonry and the visual arts This volume offers diverse approaches and explores the challenges inherent to the subject through a series of eye opening case studies that reveal new dimensions of well known artists such as Francisco de Goya and John Singleton Copley and important collectors and entrepreneurs including Arturo Alfonso Schomburg and Baron Taylor Individual essays take readers to various countries within Europe and to America Iran

India and Haiti The kinds of art analyzed are remarkably wide ranging porcelain architecture posters prints photography painting sculpture metalwork and more and offer a clear picture of the international scope of the relationships between Freemasonry and art and their significance for the history of modern social life politics and spiritual practices In examining this topic broadly yet deeply Freemasonry and the Visual Arts sets a standard for serious study of the subject and suggests new avenues of investigation in this fascinating emerging field
