No Time for This Tonya A. Garcia, 2023-09-16 POWERFUL AND TRANSFORMATIVE This book is for anyone facing a life challenging event A once in a generation powerhouse of a book authored by national medalist and acclaimed public library director Tonya Angelique Garcia With the vulnerability and rawness that come with having a potentially terminal disease Tonya shares the plan that transformed her life while battling breast cancer With all the characteristics of a Type A personality it was no surprise that immediately after the diagnosis her first words were I don t have time for this Focused driven and time conscious cancer was something she arrogantly never thought too much of It was certainly not in her five year plan Until the universe sat her down Whether recently diagnosed or caring for a loved one with cancer this book offers a chance to process the feelings that may be scaring the hell out of you Feelings such as regret guilt humiliation sadness panic and anger Unfortunately like most challenges the only way to GET through them is to GO through them With a unique ability to entwine accountability and vulnerability Tonya shares exactly how she lived with cancer and how you can as well Because aside from our varying diagnoses and prognoses how we live is most important Tonya Garcia grew up on the Jersey Shore Her family s roots trace back to Puerto Rico and Sicily where she credits her grandparents for instilling in her the value of perseverance and a deep love of family As a teen mother who left high school she went on to earn a master s degree from Rutgers University and receive numerous accolades such as NJLA Librarian of the Year Library Journal Mover and Shaker the Key to the City of Long Branch and days in both Monmouth County and Long Branch named in her honor After being elected President of the New Jersey Library Association she was diagnosed with breast cancer At what she thought was the pinnacle of her career Tonya s response to this diagnosis was I don t have time for this Now wearing the scars of survival Tonya speaks truth to power sharing not only how she lived but how she used a cancer diagnosis to transform her life A transformation made especially apparent when just three years later Tonya had the distinct honor of becoming a national medalist during a ceremony held at the White House *It was a time where no time could be lost* Donato De

Renzis, 2020-01-16 In his mind then small cracks opened from which ancient images emerged perhaps lost in the mass grave of those fragments of memories thrown there randomly and confused with others buried in the cemetery of lost memories As it happens when a ray of sunshine penetrates from the dormer window to break through the walls of the darkness of a dusty attic so the darkness of that mass grave was pierced by the dazzling reflection of a glow of memory which raised the dust of seconds minutes hours days months and years past that eternity had deposited there Perhaps it is these he thought that appear in those strange dreams without meaning where it happens that the door of the mass grave of those confused fragments opens and come out like the gusts of the winds of Aeolus enclosed in the wineskin

No Time Like The Present Debbie McGowan, 2012-11-16 Sometimes a murder mystery is the least of life s challenges This sequel to Hiding Behind The Couch finds Josh and The Circle fighting to prove the innocence of one James Brown a well liked and respected MD of a pizza

restaurant chain But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day It s the perfect time to make new friends make amends and solve a murder case a beautiful tapestry which is a story encompassing so many lives and their interconnections I wanted more just so I could find out what the future held for my newfound friends All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters lives NOTE contains Hiding Behind The Couch plot spoilers it is therefore recommended that these novels are read in order No Time Like The Present is season two in the Hiding Behind The Couch series The story follows chronologically from Hiding Behind The Couch Season One and continues in The Harder They Fall Season Three

No Time Like the Present Nadine Gordimer,2012-03-27 A sharply observed new novel about post apartheid South Africa from the Nobel Prize winner Nadine Gordimer is one of our most telling contemporary writers With each new work she attacks with a clear eyed fierceness a lack of sentimentality and a deep understanding of the darkest depths of the human soul her eternal themes the inextricable link between personal and communal history the inescapable moral ambiguities of daily life the political and racial tensions that persist in her homeland South Africa And in each new work is fresh evidence of her literary genius in the sharpness of her psychological insights the stark beauty of her language the complexity of her characters and the difficult choices with which they are faced In No Time Like the Present Gordimer trains her keen eye on Steve and Jabulile an interracial couple living in a newly tentatively free South Africa They have a daughter Sindiswa they move to the suburbs Steve becomes a lecturer at a university Jabulile trains to become a lawyer there is another child a boy this time There is nothing so extraordinary about their lives and yet in telling their story and the stories of their friends and families Gordimer manages to capture the tortured fragmented essence of a nation struggling to define itself post apartheid The subject is contemporary but Gordimer s treatment is as ever timeless In No Time Like the Present she shows herself once again a master novelist at the height of her prodigious powers

No Time To Think Howard Rosenberg,Charles S. Feldman,2008-10-01 An eviscerating look at the state of journalism in the age of the 24 hour news cycle by a Pulitzer Prize winning television critic and a veteran news correspondent No Time To Think focuses on the insidious and increasing portion of the news media that due to the dangerously extreme speed at which it is produced is only half thought out half true and lazily repeated from anonymous sources interested in selling opinion and wild speculation as news These news item can easily gain exposure today assuming a life of their own while making a mockery of journalism and creating casualties of cool deliberation and thoughtful discourse Much of it is picked up gratuitously and given resonance online or through CNN Fox

News MSNBC and other networks which must in this age of the 24 hour news cycle feed the beast In dissecting this frantic news blur *No Time to Think* breaks down a number of speed driven blunders from the insider perspective of Charles Feldman who spent 20 years as a CNN correspondent as well as the outsider perspective of Howard Rosenberg who covered the coverage for 25 years as TV critic for The Los Angeles Times *No Time to Think* demonstrates how today s media blitz scrambles the public s perspective in ways that potentially shape how we think act and react as a global society The end result effects not only the media and the public but also the government leaders we trust to make carefully considered decisions on our behalf Featuring interviews ranging from former NBC News anchor Tom Brokaw to internet doyenne Arianna Huffington to PBS stalwart Jim Lehrer to CNN chief Jonathan Klein to a host of former presidential press secretaries and other keen eyed media watchers this incisive work measures lasting fallout from the 24 hour news cycle beginning in 1980 with the arrival of CNN right up to the present

Dembski, Wayne J. Downs, Fr. Justin B. A. Frederick, 2019-11-14 The Patristic Understanding of Creation encapsulates what the Church Fathers had to say in their own words on the topic of creation Going back to Roman and Byzantine times the writings of the Church Fathers are basic to Christian theology and provide a benchmark for how Christians have traditionally understood creation This understanding of creation however faces tremendous challenges in our day especially in discussions at the intersection of science and religion Process theology and other efforts to reconceptualize creation have explicitly opposed key elements of the Christian doctrine of creation creation ex nihilo the transcendence and immanence of God in creation the absolute creatureliness and non self sufficiency of the world to use a phrase of Fr Georges Florovsky the goodness of creation and the openness of the world to divine action All of these the Church Fathers not only held but also ably defended This anthology is therefore not merely of academic or historical interest In reasserting a theologically sound understanding of creation this anthology fills a need that is both practical and urgent **The Two Voices Within** Nickolas Martin, Linda M.
